

## **Holiday Island Rotary Celebrates Tenth Anniversary**

Holiday Island Rotary celebrated its 10th year of existence with a celebration March 30th. Approximately 160 Islanders were there to enjoy the wine, cheese and chocolate and learn about the past decade of service provided by the club. Pictured are Charley and Frances Scott of the Bentonville/Bella Vista Daybreak club. Charley, Ed Clifford, and Dale Snodgrass (deceased) of the Bentonville club were key players in getting the Holiday Island club chartered. The club recognized these individuals with a big THANK YOU and gave Charley a token of our appreciation. We are proud to be in 6110 and thank anyone who played a role in our charter.
