Ages to Ages Pre-School

Iola Rotary club, with assistance from the Rotary Foundation with a District Simplified Grant, provided the funds for the Ages to Ages PreSchool playground.

Ages to Ages Pre-School is a preschool sponsored by Unified School District 257 (Iola, Kansas) and is located within the Windsor Place Nursing home. This unique arrangement is only one of three in the United States. It offers youngsters a chance to learn from oldsters who appreciate the exuberance of the youthful.

Dedication occurred on April 4, 2012 with United States Senator Jerry Moran (Kansas) delivering remarks about the uniqueness of this Pre-School and also commenting on the willingness of local groups, specifically Iola Rotary, to do their part to support this and equip this project.
