*From Conrad von Bibra, PDG (South Pasadena)*

The California Foundation Recognition Dinner, April 14th, will honor PDG Taro Kawa (Pasadena) as our district's "Mr. Rotary Foundation." Taro has long been beloved both for his dedication and for the humorous stories he sprinkles through his speeches. A past President of Montebello, he has been a member of the Pasadena club since 1977. Over many years he has served our district as the Team Leader of a GSE Team, GSE Committee Chairman, Chairman of the Permanent Fund Committee, Chairman of the District's Rotary Foundation Committee and as District Governor in 1990-1991. He is a Benefactor, Multiple Paul Harris Fellow and Major Donor. The Rotary Foundation of R.I. has awarded him both the Citation for Meritorious Service and its highest honor, The Distinguished Service Award.

Mr. Jon Grant, The Regional Rotary Foundation Coordinator, will present videos of humanitarian projects around the world and with Governor Garbis, will recognize new Paul Harris Fellows, Benefactors, and Major Donors. Each club has been invited to nominate a club member to be recognized for his or her work with The Rotary Foundation and International Service. Tickets to the dinner at the Industry Hills Sheraton Hotel are available through your club at \$50.00 each or directly from Event Registrar, Carl von Bibra, 1810 Fair Oaks Ave., # 209, South Pasadena, Ca. 91030. Telephone: 626.441.2279, Fax: 626.441.4048.

**Congratulations to Taro Kawa:** From Jim Speer PDG 1962-63 - *"Taro Kawa is a special friend to all and his life demonstrates his love of Rotary and the ideals of The Rotary Foundation."*

From Tim Siu PDG, 1987-88 - *Taro Kawa never wanted to be a District Governor. He said "All I want to be is a past District Governor." Indeed, he did become a great PDG! During his 35 years in Rotary, Taro has devoted his life to love, action, fun, fellowship and service, to the Objects of Rotary, and his true love, the programs of The Rotary Foundation. Congratulations Taro!"*

From Chris Lyman PDG 1991-92 - *"Taro preceded me as Governor of District 5300 in Rotary Year 1990-91. During his leadership year he kept me up-to-date on all the District's Foundation involvement because he wanted the Foundation to continue to be outstanding after he left office. Taro held some very successful and productive Foundation events during his year as Governor and set a high standard for us to follow in the ensuing years. Over the year, Taro has continued to be a key player in District Foundation activities, lending leadership, good ideas and suggestions as appropriate, and encouraging*

*Rotarians throughout the District to be active contributors and supporters. Taro, I salute you for your excellent Foundation leadership. We owe you a great debt of gratitude."*

*From Ken Miller PDG, 1995-96 - "I was delighted to learn that PDG Taro Kawa had been selected as District 5300's "Mr. Rotary Foundation" for the 1999-2000 year. There could have been no better choice. Congratulations to the Committee and SPECIAL CONGRATULATIONS TO TARO AND TOSHII!"*

*From Wayne Whistler PDG, 1997-98 - "There is no one I know that has been as deeply committed to The Rotary Foundation as Taro Kawa. Not only has he been a generous contributor to The Rotary Foundation, but he has worked tirelessly to encourage others to support it. He is a man who seeks no recognition for the many hours he has spent in support of the Foundation, but who deserves to much credit. His dedication and persistent effort has convinced many Rotarians to contribute, for the first time, or to contribute more than they otherwise would, to the Foundation."*

*From Garbis Der Yeghian District Governor - "What a perfect recognition of your outstanding and unparalleled contributions to The Rotary Foundation of Rotary International and our beloved District. Through your visionary District leadership, enthusiasm, tireless efforts and unwavering commitment to the ideals of Rotary in our District, as well as the Rotary World, by engaging all of your confidence and energy in the progress of The Rotary Foundation. While most measure success in terms of personal achievement, it is noteworthy that your successes are highlighted by the numerous endeavors you have undertaken on behalf of others, thus bringing peace, health and happiness to people everywhere. What a wonderful dream to live for! All Rotarians in District 5300 join me and Angela in wishing you and Toshi continued success in your worthy endeavors."*

*From John Fee PDG, 1986-87 - My sincere congratulations to PDG Taro Kawa for being selected "Mister Rotary Foundation" for 2000. Also congratulations to Rotary District 5300 for choosing him. I have known Taro for almost 25 years, and during that time he has always been an intensely dedicated promoter of the Foundation. In my view, he really deserves the honor.*

## **GOVERNOR'S MESSAGE**

### **THE UNCHANGING UNDERTONE OF GOODWILL**

*By Dr. Garbis Der Yeghian, District Governor (La Verne)*

*Friendship was the foundation rock on which Rotary was built and tolerance is the element which holds it together - PAUL HARRIS*

In honor of the 132nd birthday of Paul Harris (April 19, 1868), the visionary founder of the first and greatest service organization in the world - - Rotary International - - we proudly mark this auspicious occasion in District 5300 by celebrating the following seven important events in the months of March and April, 2000.

1. Cultural Diversity Celebration Day - March 26, at South El Monte High School - - a special day of appreciation and fellowship to promote better understanding and friendship across cultural lines.
2. Inaugural Flo Jo Memorial/Arcadia Invitational - April 8, at Citrus College in Glendora - - to honor America's future Olympians and their quest and dreams for the Olympic Gold Medal.
3. Seventh annual Rotary International District 5300 Peace Conference entitled "World Religions and the Quest for Peace in the 21st Century." - April 15, at University of La Verne - - to celebrate our religious diversity and promote peace and unity.
- 4-5. Two Rotary Foundation Celebration Dinners in Southern California (April 14) and Southern Nevada (April 19) - - to recognize our new Paul Harris Fellows, Foundation Benefactors and Major Donors, and to honor our illustrious Past District Governor Taro Kawa as "Mr. Rotary Foundation 2000."
6. Establishing a District-wide Conflict Resolution Academy - - to develop, learn, teach and implement conflict resolution skills for personal, professional, community and international effectiveness.
7. Rotary District 5300 Volunteers Week - April 9-15 - - to show our volunteer Rotarians, Rotary Partners, Rotoractors, Interactors, Mideractors, and friends how much we appreciate them. Recognize the efforts of your volunteers and salute and pay tribute to those who so unselfishly give their time and talents to your club. "Peace comes only from loving, from mutual self-sacrifice and self-forgetfulness. Few today have humility or wisdom enough to know the world's deep need of love. We are too much possessed by national, racial and cultural pride." (Horace W. B. Donegan, D. D.). But fortunately man-made boundaries crumbled when Paul Harris proffered his hand and heart in the spirit of understanding. Through his profound dedication, humility and wisdom he shaped the essence of Rotary. And so today, the ideals of our founder stand as warm and wise as they were in the beginning. "Rotary itself," Paul Harris said, "offers a preview of the world at peace . . The ways of friendship are mysterious . . . There is depth of friendship in the hearts of some otherwise very

commonplace men, which is nearly sublime . . . In the final analysis it seems to me that it must have been intended as the salvation of mankind.”

I invite all Rotarians in District 5300 to actively participate in the aforementioned activities in honor of our dedicated founder, whose vision, leadership, enthusiasm and commitment to: “Service Above Self” has touched and will certainly continue to enrich the lives of each and every Rotarian in District 5300 and throughout the Rotary World.

Let humility, tolerance and wisdom be our beacons as we carry out our ambitious agenda for the year, and let us never relax our search for the path of peace, because the alternative is unthinkable. The challenge of world peace, goodwill and understanding . . . is the most pressing imperative of our time and I strongly believe it is Rotary’s destiny . . . to change the world for the better.

## **GOVERNOR GARBIS ESTABLISHED CONFLICT RESOLUTION ACADEMY**

*Peace cannot be achieved through violence, it can only be attained through understanding - Albert Einstein*

The Conflict Resolution Academy (CRA) is a peace program of Rotary International District 5300. Its purpose is to develop, learn, teach and implement conflict resolution skills for personal, professional, community and international effectiveness.

Conflict is a natural part of our lives. We differ in needs, wants and motivation. Conflict often accompanies changes in our institutions or personal growth. Conflict can be a sign of hope reborn and it may serve a positive role for change. It is how we deal with conflict that makes it either beneficial or destructive.

We all have choices when resolving conflict. Some try to avoid the issue; others turn to force or violence. Resolving problems peacefully is a matter of great urgency today, in our local communities as in the world as a whole. Learning to negotiate or mediate mutually acceptable resolutions to conflicts is a skill which can be mastered with training and commitment.

Why does this matter to Rotary International District 5300? The fourth element of the Object of Rotary is “the advancement of international understanding, goodwill, and peace through a world fellowship of business and professional persons united in the ideal of service.” The challenge for Rotary to play a role in peaceful dispute resolution is as great as ever. As leaders within their vocations and communities and members of an international non-profit organization committed to service, Rotarians in District 5300 are ideally situated to help find solutions to help find solutions to a variety of conflicts.

Conflict Resolutions is part of Rotary International’s goal of World Peace and Understanding. In the Rotary publication Building Peace in the Community, a statement is made that “the ways Rotarians can build peace in their communities - global, local, workplace, and club - are legion.” Rotarians with skills for resolving conflicts can take leadership roles in peacekeeping.

### **MISSION AND GUIDELINES**

2. Motivate Rotarians to see dispute resolution as an avenue of public service.

## **A KEY ELEMENT TO MEMBERSHIP STABILITY**

*One in a Series: From Jim Speer, Past Director, R.I. (Covina)*

A sense of timing is important if we are to have success in carrying out those activities which make for a vibrant Rotary club. Certainly, a sense of timing is essential if Rotary clubs are to insure membership stability to overcome losses and provide a degree of growth.

So often membership development activity is placed on the "back burner" until the club leadership realizes it must somehow overcome current membership losses which affects the lasting image of a club administration. By the time the leadership realizes what is happening it is difficult to overcome the losses.

An effective membership stability strategy must be in operation when the Rotary year starts on July 1st! It is often said, "We plant the seeds for membership growth in the first six months and then hopefully reap the harvest in the second six months." To a great extent this is true, but our plan for membership stability and growth calls for a program of continuity throughout the entire Rotary year.

A club's Membership Committee and club membership awareness may have gotten off to a slow start during the current Rotary year. Regardless, it is never too late to get organized, develop a membership growth plan and then make sure it is active throughout the remainder of the Rotary year.

An analogy to membership development is worth remembering:

**"Plants either grow or die.**  
**There is no such thing as suspended animation"**

## **DISTRICT-WIDE INTERNATIONAL LITERACY PROJECT LAUNCHED**

*From Doloras Diaz-Carey, District International Literacy Chair (East Los Angeles)*

If your club is still searching for an International Project, we've got one for you! Imagine making literacy a reality for the children of Winterveldt, South Africa. Join the Winterveldt School Project of the Rotary Club of Pretoria East, TOGETHER WE CAN! We think you will find it compelling. Through the efforts of Michael Fels (East Los Angeles), Annaeus Schjodt of the Pretoria club, and Governor Garbis support for the Project has become a District 5300 Project....Funds for paying the teachers are urgently needed....It is estimated that it will take about five years before the school can finally become independent and can be transferred to the community to manage. Our goal is to collect an average of \$10.00 from each Rotarian in District 5300...a total of \$28,000. To do that, Governor Garbis proposes the following "per club" contribution:

Up to 25 members:	\$250 per club
26 to 40 members:	\$400 per club
41 to 60 members:	\$600 per club
Over 60 members	\$1000 per club

Please consider this very important project. Make checks payable to R.I. District 5300 and mail to: Dr Michael Fels, 5151 State University Dr., Los Angeles, Ca 90032. *(See pictures on collage page)*

## **PROMOTING LITERACY IN ALHAMBRA**

*From Tim Siu, PDG (Alhambra)*

The Rotary Club of Alhambra and the Soroptimist Club of Alhambra-San Gabriel-San Marino continue their joint effort in promoting literacy. The second distribution of books has been completed to third grade students in Alhambra and San Gabriel Scholls. 1200 books were distributed on this occasion.

Soroptimists and Rotarians visited the schools and read to students, demonstrating the fun of reading. The students were then invited to select a book from the collection of books brought by the volunteers. The students are encouraged to make their own selections. Each student will have three books to call their own by the end of the school year. A total of 3,600 books will be distributed by the end of the school year.

This project promotes literacy by putting books into the hands of children and into their homes. Teachers can promote the love of reading by having the children share their books with each other and with their families. Children develop more self esteem and they are encouraged to read to their siblings and parents.

Increased literacy is a high priority community service to Soroptimists and to Rotarians. Funds raised in the community are directed to this type of service.

## **ALTADENA CLUB HOSTS 14 JUNIOR ACHIEVEMENT TEACHERS FROM ARMENIA**

At a recent meeting 14 teachers who participate in the Junior Achievement program of Armenia were hosted by the club. Over the past several years the Altadena club, along with several other club's from the district, have donated over \$32,000 to support the Junior Achievement program. The goal is to establish JA programs in all 10 regions of Armenia. For over 70 years, the country lived under Communism and did not develop a free market system. The JA program started in 1992 with just 8 schools in the country.

Today, the Junior Achievement of Armenia (JAA) program is part of the curriculum in over 350 schools throughout Armenia. This number represents approximately 25 percent of the schools in Armenia. There are over 24,000 students currently enrolled in JAA studies. The teachers who are involved in the JAA receive extensive training prior to their teaching. They go to a two-month training program in the summer. In addition, they receive one to two hours of training every week during the school year. As part of their training, selected teachers come each year to the United States where they have the opportunity to observe American schools and governmental agencies. Altadena Rotarians Ray Carlson and Luther Eskijian have been instrumental in establishing the Junior Achievement program in the club.

## **SIERRA MADRE CLUB FOCUSES ON READING PROGRAM**

During a four week promotional period in November, 1999, Sierra Madre Rotarians were able to raise \$1100 for the "Read By Nine Program." With \$1100 of matching funds from Scholastic Books and \$100 from the Los Angeles Times, the club was able to provide 600 recreational reading books, and 800 classroom books for grades K-3 at the Sierra Madre Elementary School. Going the extra mile, club members raised an additional \$700 to provide 100 copies of a much needed World Atlas for the elementary students. Rotarian Pete Siberel, who spearheaded the club's "Reading By Nine" program expressed the hope that the program would continue next year so that classroom and recreational reading books will be available to instill the joy of reading in today's classrooms.

## **LEBANESE AND ARMENIAN DIPLOMATS ADDRESS LA VERNE ROTARIANS**

*From San Gabriel Tribune*

The Honorabile John Makaron, Counsul General of Lebanon and the Honorable Armen Melkonian, Armenia's Consul General in Los Angeles were recently hosted by the Rotary Club of La Verne. Consul General Melkonian presented an in-depth political and economic analysis of Armenia.

Consul General Makaron delivered a provocative speech in which he highlighted several requirements for diplomats and detailed the finer points of what many consider to be an art. "Diplomacy is to do and say the nastiest thing the nicest way," and adding, "A diplomat should think twice before saying nothing." And lest anyone think diplomacy and politics are the same, Makaron explained the difference: "The difference between diplomacy and politics is diplomacy is about surviving in the next century," "Politics is about surviving 'til the next afternoon."

The distinguished speakers were introduced by District Governor Dr. Garbis Der Yeghian, who also presented appreciation plaques to the club visitors.

In addition, with the help of a grant from the County of San Barnardino, every other month the club sponsors an immunization clinic and immunizes between 1,500 and 2,000 people.

In a show of appreciation, this past New Year's Eve, the Boulder City club catered dinner for the city's fire and police departments. In addition, the club donated \$ 10,000 towards the new exhibits at the Hoover Dam Museum. The club has also approved donations to the Boulder City Hometown Fiddlers, the Boulder City High School Eagles football team for a trip to Disney World, the Pack 12 Cub Scouts towards the rebuilding of their Pinewood Derby track, and to the Boulder City Hospital Foundation Golf Tournament.

Montebello club members delivered warm clothing and blankets to 350 children in two Tijuana orphanages last month. The clothing was purchased for the children by club members. Each member adopted one or more of the children and purchased items specifically for them. The blankets arrived at the height of the flu season so orphanage officials were very grateful.

Club members also pruchased tickets for 40 elementary school students to attend a performance of "Peter and the Wolf" at the San Gabriel Civic Auditorium.

The Duarte club awarded Duarte High School Art and English teacher Terri Lujan a grant for \$205. With the funds, Lujan purchased a Sony boom box with AM/FM radio, CD player and tape deck, a rolling stereo cart, and several compact disks and tapes. Her application, one of three selected, was chosen because of her devotion and dedication to teaching her students. She provides her students with a structured curriculum that focuses on working together, cooperation, sharing, and relying on one another.

The Laughlin club awarded 21 mini grants totaling \$6,589 to Laughlin High School and Bennett Elementary. Over the past eight years, the club has awarded a total of \$54,589 to the two schools.

The Covina Sunrise club started an after school activities program in the local elementary district.

The West Covina Interact club participated in a PTA reading festival, volunteered their time at the local YMCA doing whatever was needed, and are involved in the "Daffodils for Cancer" program. The students are also collecting school supplies for a needy community in New Guinea.

The Alhambra club awarded 61 local teachers mini grants ranging from \$60 to \$200 each, totaling \$7,294. The awards were presented during the last school board meeting. This is the 8th year the club has presented mini grants to local teachers.

This year, the Altadena club will set a new club record for scholarships given. The club has several scholarship programs at Pasadena City College, John Muir High School, Blair High School, and Pasadena High School. Several students at John Muir will receive scholarships for the business plans developed through their Junior Achievement classes, and several scholarships will be given to members of the ROTC programs at the high schools.

100! That is the number of Pasadena Rotarians that President Bob Monk promised would attend the District Conference. Given his military background, Bob and his Conference Committee have formed a brigade known as Monks' Millennium Brigade which is planning an all-out assault on Long Beach. The club's hospitality suite will be headquarters for the Brigade.

## **BOULDER CITY ROTARY TO SPONSOR BBQ CHALLENGE** - *From Frank Carroll, President Elect (Boulder City)*

We know it is well into the future, but some people need to plan well in advance. We expect 30-40 cooks at our first annual BBQ cookoff to be held in Boulder City. The event will benefit the children of St. Jude's Ranch, and the Rotary International Foundation. The event will be held at St. Jude's Ranch on May 12-13, 2000.

We would like District 5300 clubs to participate. How? We would like your club to field a small team and send them to a special contest to be held on Friday evening May 12th. Each team will cook a rack of ribs, and then have them judged by the other cooks in the contest. We already have entries from District 5450, and the Rotary Club team from Taos, New Mexico. The Team entry fee is \$100. You will also have the opportunity to judge in the contest next day. Watch the District Millennium Newsletter for additional information.
