VOLUME 73 NO. 9

GOVERNOR SAL BRIGUGLIO

MARCH 2001

DEVLYN FOUNDATION DINNER A GREAT SUCCESS

Governor Sal and his hard working Foundation Dinner staff sold out the 700 seat ballroom at the Pasadena Hilton for the February 2nd Celebration that featured RI President Frank Devlyn as keynote speaker. The black tie optional dinner and dance provided an opportunity for fellowship and recognition. The Major Donor Reception, prior to dinner, allowed time for the donors to fellowship with President Devlyn, and also have their picture taken with the RI President.

The evening provided an opportunity to recognize Rotarians who support The Rotary Foundation. Throughout the evening Major Donors and Paul Harris recipients were recognized on a large screen on the stage. This approach allowed for well-deserved recognition of individuals in a very time efficient manner. Following the dinner, new Paul Harris Fellows had the opportunity to have their picture taken receiving their recognition certificate and medal from RI President Devlyn.

The District 5300 Rotary Foundation Committee in cooperation with the Rotary Club of Pasadena, who acted as the host Rotary club, deserve a special thanks for a wonderful evening.

DATE: January 19, 2000
FROM: Cliff Docterman – Task Force General Coordinator
TO: Task Force Chairs, Vice Chairs, All Task Force Members
SUBJECT: Urgent Message!

President Frank Delvyn is planning for a major display of “success stories” at the International Institute in Anaheim and the Convention in San Antonio. This will be an exhibit of pictures of action projects conducted by the Task Forces. We are looking for photographs of projects in action, with a very short caption of information about the project, clubs or districts and city or area in which it is happening. These pictures will be enlarged and mounted on a display wall by the RI staff. What we need now is action pictures from your projects. If you have one or two good pictures of action projects, please send them to:

Ms. Kathy Kessinich, Program Division
Rotary International
1560 Sherman Ave.
Evanston, Illinois 60201

In addition to the pictorial display, that will be prepared by the RI Staff, President Frank hopes that each Task Force will have a display booth at the Convention and that members of each Task Force will be present in their booth throughout the Convention to visit with Rotarians about the work of their Task Force. Some of the Task Forces might consider combining their booth with others.

Thank you for your help!

We have discovered a plot to kidnap me at the District Conference! The kidnapper is challenging each club to solve this mystery of who he is, the weapon he used, and in which room of the District Conference Hotel I will be kidnapped from. We will publish a set of clues each month in the District Newsletter. The kidnapper has said that any club who inducts a new member or presents a Paul Harris Fellow will receive a bonus clue. Please encourage your members to work on earning bonus clues and solve this mystery!

2001 INCOMING GROUP STUDY EXCHANGE MEMBERS SELECTED

From District Web Site

Rotary District 1200 in England has selected the GSE team that will be in our district during may and June, 2001. Team members include: Kate Brookes, a Police Sergeant (Traffic) who is sponsored by the Chippenham Club; Lorraine Sers, a Senior Staff Nurse who is sponsored by the Dorchester Club; Paul Lees, a Police Sergeant, sponsored by the Wellington Club; and Onome Stenlake, a Youth Worker, sponsored by the Dorchester Club. A schedule for the Teams stay in the district will be announced at a later date

GSE EXCHANGE FOR 2001-2002 ANNOUNCED

From Margaret Cooker, DG 2001-2002 (Victorville)

We have just heard that our GSE (Group Study Exchange) pairing for 2001-2002 Rotary year will be with District 4500 – Brazil. This is exciting news since we have not had a team exchange with this area since 1968 (incoming) and 1970 (outgoing) when the area was identified as District 464.

The District is in the Northeastern area of Brazil (the hump that sticks out into the Atlantic ocean), and includes the fantastic beach area of Recife (which has 16 Rotary clubs). With 85 clubs and 2,377 members, the district encompasses 3 states: Rio Grande do Norte, Paraiba and Pernambuco, and is in Rotary Zone 20. Our district is in Zone 24.

The Northeast covers 18% of the country. It was once the center of the sugar industry during colonial times. Life-threatening droughts are responsible for the lack of development in this area, but it is not under-populated. Some of the best beaches in Brazil are located in the northeast, a long coastline blessed with year-round sunshine. Among the best coastal resort cities are Recife in Pernambuco, Joao Passoa in Paraiba, Natal in Rio Grande do Norte. Portuguese is the official language of Brazil – so we may need to take advantage of the crash language course through RI.

As I get more information about the area I will keep you posted and, with the able assistance of Tim Harris (Victorville), I will be setting up a web link to information in the near future. Ram Kumar (Arcadia) has agreed to be my GSE Chair in California. If you have an interest in being considered as team leader please contact either Ram or myself – please start thinking of young business and professional people who you consider to be good candidates for this exchange.

PLAN TO ATTEND THE DISTRICT ASSEMBLY AND FELLOWSHIP DINNER

From Margaret Cooker, DG 2001-2002 (Victorville)

Save Friday, April 27th for the Fellowship Dinner at Felipe's Winery in Rancho Cucamonga and Saturday, April 28th for the District Assembly at the Marriott Hotel near the Ontario airport. Carolyn Anderson (Rancho Cucamonga) is planning a great evening of fellowship and friendship for the Friday event. She indicates that if you want to stay over Friday night, you need to make reservations early as hotel space in the area is limited.

Steve O'Neill (Rancho Cucamonga) has gathered a great team for planning the District Assembly. There will be special sessions on Membership Development and Retention, Foundation (how to complete those drated forms and the process for Matching Grants), the RYLA club process update, as well as Avenues of Service information. Presidents for 2002-2003 will have time with their District Governor, Lee Harlan (Claremont). If there are any session topics that you would want to have included, please contact DG Margaret or Steve O'Neill as soon as possible.

A great leadership speaker is planned for Saturday lunch. 2001-2002 Presidents need to get their teams on board for this event. Assembly Signup Forms will be mailed to each club.

ARE YOU READY FOR THE FIESTA?

From Margaret Cooker, DG 2001-2002 (Victorville)

The Rotary International Convention for this year is being held in San Antonio, Texas – an easy trip for us all – June 24-27, 2001. In case you have missed the information, the January issue of "The Rotarian" is devoted to the Convention, San Antonio, and Texas. You can access all the RI registration forms via the District web site www.district5300.org, then "click" on the FIESTA logo.

As to getting there, some are using their RV's and joining the Fellowship of RV-ers like Glen Pierce (Victorville) to extend the fellowship of the Convention even further. Some are planning to join the "Rotary Train" that Cliff Houser (Altadena) is organizing – a wild Rotary party across the west to Texas – and fly back!! Some are flying, some are driving....however you plan to get there– PLAN ON IT!!! If you have never participated and wonder about it – ask someone who has been to an International Convention to share – what a FELLOWSHIP!! What a PARTY!!!

Remember to sign up for the Far West Breakfast on Monday, June 25th (\$25) – this form is also available through the same links. See the International aspect of Rotary striving for World Peace one person at a time!!! Go early and sit in on the Youth Exchange, Rotaract, Foundation or World Project sessions. Meet new people and make new friends (and maybe extend your business contacts!!) Drop in on Governor Sal at his hotel close to the Convention Center!!

When you know where you are staying let me know so that we can make sure that we can all PARTY!!! PARTY!!! Party!!! (one of the complaints we always have is not knowing where all our friends in the District are staying and being able to expand the fellowship even further). Any questions or suggestions, please call (760.243.5928), fax (760.243.8012) or e-mail me (mcooker@rotarymail.net).

RI TECHNOLOGY TASK FORCE UPDATE

Online Learning renovated and expanded. The Technology TF Online Learning web site has just been renovated and significantly expanded. The site is <http://www.frankdevlye.org/technology/learning>. Now the site offers four types of Online Learning. First, look for new Rotarians. What's new on the Net promoting the work of the Task force, Club Meeting Program Materials for use in regular club meetings, and Special Resources for specific training and unique resources. We believe "distance learning" or "Online Learning" as we choose to name it, has vast potential for Rotary and our continuing efforts to educate and train Rotarians and Rotary leaders.

New First Look for new Rotarians. In Online Learning we introduce First Look, a new series of modules designed to compliment the orientation for new Rotarians done by their club. Clubs should be encouraged to invite new members to access the web site www.frankdevlyn.org/technology/learning and review the courses to learn more about Rotary . This new series might also be useful to those of us who are "not so new" Rotarians as well!!!

Electronic Version of ABCs of Rotary. Few Rotary publications have been as popular as Past President Docterman's "ABCs of Rotary." Now Online Learning features an electronic version of this outstanding source. The book has such wide application that we offer it twice: In First Look for new Rotariand in Special Resources for all of Rotary.

The Rotary Foundation. Online Learning now offers a useful overview module explaining our Rotary Foundation. This is good material for a club program, and also is useful material to help a new Rotarian know more about our Foundation. The module uses a business-like approach to explain how the Foundation functions, and more clearly sets out how contributions come in to the Foundation, and then how money is spent in the many programs of the Foundation.

EAST LA CLUB SPONSORS MENTAL ILLNESS SPEAKERS BUREAU

From Dolores Diaz-Carrey, President (East Los Angeles)

Chances are you have a family member or know someone afflicted with one of three major biological mental illnesses – schizophrenia, bi-polar or clinical depression. Historically these diseases have been marginalized and grossly misunderstood by the general public

Two million Americans suffer from schizophrenia. One out of every five American families is affected by mental illness. Treatment works – if the person gets it. But, stigma causes too many people to hold back from seeking help when they need it.

In keeping with the International Rotary theme, "Create Awareness-Take Action," the East Los Angeles Club sees a great opportunity to bring about greater awareness and understanding of these debilitating disorders. Under the club sponsorship, San Gabriel Valley NAMI, (National Alliance for Mental Illness) has assembled and trained a speakers contingent available to address Rotary Clubs in District 5300. Those afflicted as well as their family members compose the speaking teams, providing both personal and historical perspectives on mental illnesses. Contact Rudy Salinas @ 213.739.5640 or Betty Harris @ 626.446.2364 to schedule speakers for your club.

LAS VEGAS NORTH WOMEN HAVE SUCCESSFUL TRIP TO MEXICO

From Charlotte Leas (Las Vegas North), District Web Page

In January, two North Las Vegas women represented Rotary District 5300 and the North Las Vegas Rotary club on a fact finding and goodwill trip to the Chihuahua area of northern Mexico. Their original destination was the village of Choguita, but snow in this mountainous region prevented Charlotte Leas and Annette Hardy from attaining their goal. The North LV Rotarians met with 8 other Rotarians from District 5730 from the South Texas area. The group assembled to establish a protocol for the Feed the Children Project sponsored by Rotary International. Charlotte has been an active member of the Las Vegas North club since 1995, Annette is the wife of Eldon Hardy, long time member and two times President of the Las Vegas North club.

Rotary District 5300 has sponsored a number of benefits to raise money to provide dehydrated food from Breedlove Food Processing Center in Lubbock, Texas that is intended to supplement the diet of the school children in Taharamara Indian Village of Choguita. Other clubs from California and a Helping Grant from Rotary International will add additional money, which should bring the project to about \$18,000 to \$20,000. The Breedlove Food Company is also establishing a measuring program, which will track the physical and educational development of children being given the foods. The food supplements are mixed with water and when cooked can become either a soup or casserole, which contains all the daily nutrients that growing children need. This project is also part of the Feed the World Project sponsored by Rotary International.

Refer to the District 5300 Web Page for pictures, and a complete dialogue on the trip.

VOLUNTEERS NEEDED FOR THE SENIORS CLASSIC GOLF TOURNAMENT

From District Web Page

This project is being held Wednesday, April 18th 2001 to Sunday, April 22nd at the TPC in Summerlin, Las Vegas, Nevada. This is a fund raiser coordinated by the North Las Vegas Rotary Club. Each club will get paid for their time. This could add money to a club's treasury with very little effort. Boy Scouts, Church groups and other community groups are also invited to participate. Each club or service organization will be paid on an hourly basis.

Volunteers are needed for all shifts to assist with parking and directing traffic. If you can not work a full shift, we will be glad to have you for any hours that you are available. We guarantee a good time, plus you will be given a pass to the Senior classic. Contact Barry Channing, Chairperson @ 702.314.2401 or email @ Barry@Intermediausa.com, or John Miliken @ 702.497.6348, e mail Credit_Plus@moondog.net.

A SPIN AROUND THE WHEEL

By Anne Donofrio-Holter (Montebello)

EDITOR'S NOTE: This new feature provides a brief summary of club activities from around our district compiled from club bulletins. If you would like your club's events and highlights included in "A Spin Around The Wheel" please send your weekly club edition to Anne Donofrio-

The Sierra Madre Rotary is teaming up with Vroman's Bookstores, to support the second annual student recognition program. Club members and Vroman's will select students from local high schools for outstanding achievements in the classroom as well as extra curricular activities. Recipients will be awarded a \$50 gift certificate from Vroman's and will be recognized at an upcoming Club meeting. The program aims to promote literacy, encourage young adults to continue reading and honor hardworking students.

Alhambra Rotarians Don Keenan, Olov Lindberg, Barney Velarde, Gary Yamauchi, Angela Janes, Stan Yonemoto, Luis Carlos and Dewana Carlos delivered toys to children in an Ensenada, Mexico orphanage last month.

Arcadia Rotarians helped the American Red Cross by donating 43 units of blood, three units over their goal.

Ontario Rotarians, along with other local service clubs, Interact, and the Boy Scouts, joined forces to plant some 2,000 rose bushes on Euclid Avenue, between Riverside Drive and the 10 freeway. The roses were planted in existing rose planters that had long been bare. The original rose planters commemorated the Armstrong Rose Company in Ontario, a long recognized nursery industry leader for their rose bushes.

The Boulder City club presented baskets of cookies, fruits, and nuts around town to men and women who were working on Christmas Eve instead of being with their families. Deliveries were made to the local fire department, police department, and area hospitals.

For several years the Altadena Rotary has supported the Junior Achievement (JA) program in the former Soviet bloc country of Armenia. This year, JA will be involved in the instruction of over 1,400 teachers who will learn a new civics curriculum being implemented by the Armenian Department of Education. The club has also linked up with the Rotary Club of Nazareth, Israel to provide a Rotary Foundation matching grant to start a JA program in all eight high schools there.

Apple Valley Rotarian Matt Bullock hosted a tennis program for community children who might otherwise never be introduced to the game.

The Victorville Club donated funds to the Happy Trails Foundation (in the name of Dale Evans), the International Wheel Chair Program, and the Country of India. In addition, eleven members responded to the plight of a local woman being treated for Leukemia by donating blood.

The combined contributions of the Rotary Clubs of the Las Vegas Valley may contribute to the survival of a tribe of Mexican Indians that have been ravaged by drought for the past five years. Due to weather conditions, there have been virtually no crops harvested in the area and the tribe is literally on the edge of starvation. Club members donated food and supplies to the Indians on a recent trip to Mexico.

The South El Monte Club recently made donations to the Lincoln Training Center for first aid supplies and to Wheel Chairs for the World, a charity drive started by Rotary International.

The Rotary Club of Arcadia is now a sponsor member of the L. A. County Arboretum Foundation. In addition, the club has ordered 600 books for the Reading by Nine program.

The Monterey Park Club contributed \$250 to the Wheelchairs to Mexico program. Combined with contributions from other clubs, the program will purchase 250 wheelchairs for those in Mexico who cannot afford one.
