With this year's low snow levels, there is great potential for it to be a very bad year for wildfires. Christian Hartley, Houston's Fire Chief, will provide advice on what to do as winter recedes to minimize fire danger at home and in the workplace.

Iditarod Restart Party Canceled but Ending Polio is still our Goal!

By Kimberly W. Erickson

Due to the move of the restart to Fairbanks this year, the Erickson's annual Iditarod Restart Party is canceled. However, that doesn't mean we still aren't committed as a club to raising funds to **End Polio!**

Each club has a goal of donating at least **\$1500** this year to help eradicate polio. If you are one of Susitna Rotary Club's 11 members of the **Polio Plus Society** and have pledged to donate at least \$100 per year to the cause, thank you! Want to become a member of the Polio Plus Society? Download and complete the [pledge form](#). Kim Erickson will present you with your t-shirt, pin and certificate at the next meeting!

Just want to donate? Go to EndPolio.org/Donate (log in to My Rotary to get credit).

WE WANT YOU
To be safe in and around the water!
DROWNING is the #1 cause of accidental death in the US for children 1-4 years of age and in ALASKA DROWNING surpasses all other causes of death to children age 14 and under.

Our goal is to educate children with a fun and simple message:
TO STAY AWAY FROM WATER UNLESS ACCOMPANIED BY AN ADULT

As part of Susitna Rotary Club's commitment to eliminate drowning, we present our water safety education class to over 1500 children in the Valley annually. We have also built and maintain Kids Don't Float Kiosks at several Lakes in the Valley with life jackets that can be borrowed for use on the water. Get your FREE coloring book from Josh the Otter at the Alaska State Fair!

ROTARY MAKING A DIFFERENCE! WWW.SUSITNAROTARY.ORG

**Susitna Rotary is promoting
Water Safety for Alaska Children 2025**

Susitna Rotary will be holding a training session to prepare participants to be able to teach our "In Classroom" Josh the Baby Otter Water Safety Program. Come learn how to save lives, one kindergarten student at a time.

Please join us!

Our mission is to educate children and adults in Alaska about water safety through the utilization of drowning prevention campaigns & early childhood water safety training
