Special Leadership Meeting with DGE Marty Metiva Saturday 4.12.25

Purpose of the D5010 District Leadership Seminar

The purpose of the District 5010 Leadership Seminar is to provide a platform for the District Governor Elect to share key insights and priorities from the Rotary International Assembly, including Rotary International's 3-Year Rolling Goals and strategic direction. The seminar also introduces the District 5010 goals and Governor Elect's vision for the upcoming Rotary year.

This event serves as a collaborative forum for incoming district leaders to:

- Align with Rotary International and District 5010 priorities.
- Discuss opportunities to work together and with clubs across the district.
- Identify and set goals within their respective areas of responsibility.
- Contribute to an integrated and effective plan of action that supports club success and furthers Rotary's mission.

By fostering open communication, strategic planning, and teamwork, the seminar empowers leaders to begin the Rotary year with clarity, commitment, and shared purpose.
