April 2, 2025 Meeting - Mic McDaniel

Mic McDaniel join us at the April 2nd meeting to share information about the Vocational Training Centers in India. These centers are created to provide job skills and sustainability for those underserved and lacking access. Mic is a passionate and accomplished Rotarian from the South Tacoma Rotary Club. Celebrating 56 wonderful years of marriage to his college sweetheart, Dona, Mic takes great pride in his family, which includes 2 married sons, 7 grandchildren, and 2 great-grandchildren.

With over 30 years of service in the nonprofit world—including 7 years living and working in the Czech Republic with his wife—Mic has been a driving force behind more than 20 impactful Rotary projects. The most recent of these includes a Computer Skills Training Center in Nepal and two Tailoring Schools in India, each making a lasting difference in their communities.

In 2023, Mic expanded his reach by launching Leading Edge Training and Coaching, where he empowers businesses and leaders through speaking, coaching, and leadership training.

At 80 years young, Mic embodies energy, wisdom, and dedication, making him an inspiration to us all. Celebrating 56 wonderful years of marriage to his college sweetheart, Dona, Mic takes great pride in his family, which includes 2 married sons, 7 grandchildren, and 2 great-grandchildren.
