## Price Increase on Lunches Goes Into Effect This Friday

*(by Kirk Laughlin, Treasurer)*

After our club-wide conversation about cost increases proposed by the Seattle Yacht Club in January, some communication with the SYC's leadership resulted in a delay at least of most of those costs being implemented. For the time being, the per-meeting room fee and some other increases that were announced subsequently by SYC have been put on hold.

As the outcome of those conversations is finalized - and as the Lunch Venue Task Force continues its work - we will keep you updated.

The current situation is that the cost increases for meals themselves will be implemented, which means an increase in our weekly price for members at our lunch meetings. Effective at our upcoming meeting on Friday, 2-21-25, lunch costs will increase by \$3.00. Lunches will now cost \$42.00 (with a \$1.00 discount for cash). At this time, there is no increase being implemented for coffee/beverage-only or dessert-only prices.

Thank you for everyone's engagement and understanding as we deal with these issues.

## We Need Your Help!!

When a restaurant donates a portion of its profits to charity for a specific period, it's called a restaurant fundraiser. What happens is our club works with a restaurant to select a period and invite community members to dine at the restaurant during that time. The restaurant then donates a percentage of its sales during that period to us. If you know of a restaurant or retail establishment that offers such fundraisers, please drop an e-mail to Susan Sola at [s.sola@comcast.net](mailto:s.sola@comcast.net).

Thanks so much!

Jacksen works as the Philanthropy Officer at Evergreen Goodwill, where he is responsible for individual and corporate giving, the scholarship fund and community outreach.

Originally from Oregon, he moved to Seattle and never left after attending college at Seattle University (class of 2021), where he earned a BA in Political Science.

Jacksen is interested in politics, hockey, job force development, green energy, and food. His hobbies include skiing, travel, cooking, golf, frisbee, sailing and plants.

## Hands on Environmental Project on April 19 from 9-1 pm.

Our dynamic Rotary District 5030 Environmental Sustainability Committee is very active this year and is inviting members of our club to participate in a hands on environmental project on April 19 from 9-1 pm.

We will be working on the banks of Seattle's only river namely the Duwamish River. Our work will include removing invasive species and planting indigenous trees and shrubbery. This is a District-wide project and we need 40 volunteers to join us.

At the beginning at 9 am, we will have George Blumberg, historian with the Port of Seattle, share an update on the major cleanup being coordinated by the EPA as a Superfund site. We will also have someone from the Duwamish Tribe share about the native history going back 10,000 years in connection with the Duwamish River.

There will be coffee and donuts in the morning followed by vegetarian lunch around noon.

Please let Dave Spicer know if you are interested. This is first come first serve and expect to hit 40 volunteers very quickly as we anticipate Rotarians from other clubs will want to join in the action.

Only need to bring boots appropriate for working in the mud and working gloves plus a water bottle. Tools and porta-potty on site.

This is a very meaningful outing and definitely helps our environment!

## Our 4Way Test

The Rotary Four-Way Test is a nonpartisan and nonsectarian ethical guide for Rotarians to use for their personal and professional relationships, evaluating the truthfulness, fairness, goodwill, and beneficial nature of their actions and decisions.

- ✔ Is it the TRUTH?
- ✔ Is it FAIR to all concerned?
- ✔ Will it build GOODWILL and BETTER FRIENDSHIPS?
- ✔ Will it be BENEFICIAL to all concerned?

### **Task Force Update, February 14, 2025** *(by Carol Butler)*

The Seattle Yacht Club ("SYC") has granted a suspension from all previously announced increases in costs except for meals. Pending SYC completing a review of its costs, UDRC will not pay: \$400 for the room, \$100 for the piano, \$50 for the podium, plus \$100 for the Owl at each meeting. Once the SYC completes its examination, management promised to engage in discussions with UDRC before making any changes.

Rather than waiting to receive the results of the SYC study, the Task Force was asked by the Club Board to continue investigating alternative venues. The Task Force uses these criteria in evaluating options: *In person, Zoom capability, AV equipment, setup/takedown, Friday, 11am- 2 pm, parking, transit, handicap accessible, up to three meetings per month, storage, and the Rotary 4 Way Test.*

As of Valentine's Day, the Task Force has identified up to five potential places where Friday meetings could be held in the future. Task force members have not yet completed full evaluations of these. When the Task Force has more information to share, UDRC members will receive an update.

### **Notes from Service Fund Board Meeting February 6, 2025** *(by Paula Laschober, President)*

The SF Board continued discussion of Investment Committee support. It is also in the process of nominating candidates to serve on the Board starting July 1, 2025 (3-year term). Interested members should contact Paula Laschober, paulalaschober@gmail.com. Finally, the Board discussed a proposal submitted by a club member regarding sharing expenses between the club and the Service Fund. It was noted that they cannot share expenses because they must remain separate organizations. The SF covers its own costs of operation (e.g., fundraising, bookkeeping, annual financial reporting, state registration), funds projects of 501c3 organizations or public institutions locally, and send funds to Rotary Clubs for international projects.
