## Program for March 14

**Libby Manthei**

### *Health Care Equity in Washington*

Overview: Many of us have struggled to get access to the health care we need, and the national shortage of providers continues to increase. At the Elson S. Floyd College of Medicine, we are working to educate more providers to address the national shortage, starting in WA. Through collaboration and problem-solving in education, research, and health care, with a focus on rural communities, Tribal Nations and people who have been historically marginalized, we are working toward a healthy, equitable Washington for all. I will share more about how we are doing this, and how Rotary Clubs across WA have been partners in this critical mission.

Bio: I'm the Senior Director of Development at the WSU Elson S. Floyd College of Medicine. I partner with alumni, foundations, organizations, and community members to raise awareness and resources to advance the mission and vision of our college. I joined the college in 2023 after spending the prior eight years fundraising with a local hospital, and previously in communications. I hail from a rural community in Wisconsin and have been in Seattle for more than a decade.

## 2 Ways To Donate Clothes and Household Goods (by Rick Jones)

Over the past year our club has been working closely with two entities that re-purpose and distribute lightly-used clothes and household goods.

It's easy to access and here's how to do it:

**Solid Ground** works to help folks settle into a permanent home, often for the first time. Their clients are coming from short-term housing, incarceration, or a refugee situation. These folks need all the items it takes to establish a home, often for a family.

Used but working small appliances (coffeemakers, toasters, toaster ovens, hand mixers, blenders, etc.) along with dishes, glasses, cutlery, bakeware, pans, etc. are all needed. Additionally, clothes that are workplace suitable are needed for both men and women.

The **University District Family YMCA** works in our neighborhood and is directly helping people, often in deep poverty and often living on the street or in cars. They have an appetite for warm clothes and rain resistant clothes for both men and women. Especially sought after are belts and shoes/boots.

Do you have some of the above items you wish to put back to work? Reach out to Rick Jones at [threepointoh@comcast.net](mailto:threepointoh@comcast.net) and you can coordinate a time for a pick-up at your home or a drop-off at SYL on a Friday. Even better, you can hand your items off at the *3rd Sunday of the month YMCA grab n go lunch prep event*.

## NEED ROTARIANS to JOIN US April 19 for Duwamish River Restoration service day

(by Dave Spicer, Chair, Rotary District 5030 ESC)

Calling on UDRC Rotarians to join us for a Rotary District-wide service project to help restore the Duwamish River on Saturday, April 19, 9 am-1 pm.

As Chair of our District 5030 Environmental Sustainability Committee, I am looking for several of our Rotarians, (including family members or friends), to join us on April 19. We expect to get a number of Rotarians from other clubs as well. Our very own ESC, chaired by Sally Porter Smith, is endorsing this project.

Our work will include removing invasive species and planting indigenous trees and shrubbery. It is a great day to do something special for Mother Earth.

We will meet at 9 am and will have George Blumberg, historian with the Port of Seattle, share about the major cleanup being coordinated by the EPA as a Superfund site.

We will also have someone from the Duwamish Nation share about the native history going back 10,000 years in connection with the Duwamish River.

There will be coffee and donuts at 9:00 am followed by a vegetarian lunch served 12:30-1:00 pm.

Please let me know asap if you are interested. Contact [dspicer@davespicerlaw.com](mailto:dspicer@davespicerlaw.com).

Only need to bring boots appropriate for working in the mud and working gloves plus a water bottle. Tools and porto potty provided on site as well as all plants and shrubbery.

Forty (40) people is our quota for this dynamic service day so if you are interested let me know asap.

We are coordinating this effort with Carmen Martinez and the Duwamish River Community Coalition.

Join us for this very engaging outing!!!
