**Eagle Watching Tour**

Last Sunday, Paula Laschober took Judy Lovelace and Brenda Dimond on a tour of the Skagit Valley that featured lunch in La Conner, eagles, trumpeter swans and snow geese. A highlight was an eagle in the nest, clearly feeding this year’s newly hatched eaglets. We counted 30 eagles in all.

This tour was purchased at auction at

*Eagle in nest and one standing guard*

last year’s Gala, and will also be available this year. The tour typically runs from about 10:00 am-4:00 pm but time can be adjusted. Lunch is included and tours are typically for two, but can also be adjusted. The best eagle viewing is normally from about end of November through March. Tour dates and times are set by mutual agreement.

## NEED ROTARIANS to JOIN US April 19 for Duwamish River Restoration service day

(by Dave Spicer, Chair, Rotary District 5030 ESC)

Calling on UDRC Rotarians to join us for a Rotary District-wide service project to help restore the Duwamish River on Saturday, April 19, 9 am-1 pm.

As Chair of our District 5030 Environmental Sustainability Committee, I am looking for several of our Rotarians, (including family members or friends), to join us on April 19. We expect to get a number of Rotarians from other clubs as well. Our very own ESC, chaired by Sally Porter Smith, is endorsing this project.

Our work will include removing invasive species and planting indigenous trees and shrubbery. It is a great day to do something special for Mother Earth.

We will meet at 9 am and will have George Blumberg, historian with the Port of Seattle, share about the major cleanup being coordinated by the EPA as a Superfund site.

We will also have someone from the Duwamish Nation share about the native history going back 10,000 years in connection with the Duwamish River.

There will be coffee and donuts at 9:00 am followed by a vegetarian lunch served 12:30-1:00 pm.

Please let me know asap if you are interested. Contact [dspicer@davespicerlaw.com](mailto:dspicer@davespicerlaw.com).

Only need to bring boots appropriate for working in the mud and working gloves plus a water bottle. Tools and porto potty provided on site as well as all plants and shrubbery.

Forty (40) people is our quota for this dynamic service day so if you are interested let me know asap.

We are coordinating this effort with Carmen Martinez and the Duwamish River Community Coalition.

Join us for this very engaging outing!!!

## UDRC, Mexico & Iowa Zoom on Greenhouse Project *(by Susan Sola)*

This week our Mexican Rotary partners joined the UDRC via Zoom to present an update on our Oaxaca, Mexico greenhouse + cistern project to our Iowa partners, the Clinton RC, with whom Brenda Dimond, formerly of Clinton, is our “bridge”. Kay Rodriguez and Susan Sola also joined the Clinton weekly meeting from our side, while seven Rotarians from the Bellavista Atizapán RC participated from near Mexico City.

Drought and irregular rains have led the subsistence farmers to require larger cisterns to drip-irrigate their greenhouses and to diversify into nopal cactus, which requires less water and is both nutritious and tasty.

A UDRC \$10,000 District Grant will help to build more cisterns, and the Mexican club is spearheading a Global Grant to expand the project. Contact Susan for a copy of the PowerPoint.

## Project: Rainwater for Living Better

Huajuapán de León, Oaxaca 2024-25

- Cisterns for subsistence farmers:  
40,000 lts. – large size needed due to drought  
US\$5,000—1/2 labor (beneficiaries), 1/2 materials (Rotary)
- Continued support for 160+ greenhouses
- Crop diversification: nopal cactus

Club Rotario Bellavista Atizapán, Vicente Salvador, President, Jesús Hernández Gallegos, Project Lead

Partner Clubs: RC of the University District, Seattle; RC of Clinton, Iowa; and others
