Did you know?

Boeing Retirees can apply to their company for matching funds for Rotary donations.

Through the work of two donors and a Service Fund Committee member Benevity, a charitable donation management system now accepts UDRC donations.

Ask your HR Department or Retirement Department for information on matching funds.

Where to find URoCk2025 Forms

Printed copies of forms at back of Bulletin: Angel Donor, Tickets, and Dessert Dash Donation . You may also donate or buy tickets online at:

Paul Harris Fellow Awards Presented to Three Club Members

Last Friday, March 28, Rosemary Aragon, Rotary Foundation Chair for our club, presented PHF awards to three club members, who were asked to say a few words about why they give to the Foundation.

The club members who received the awards were: Lawrie Payne PHF+6, Linda Fukuda PHF+4 & PHF+5 and Kay Rodriguez PHF+6 & PHF+7.

PHF awards, represented by a pin with an appropriate number of embedded gemstones, are given based on each \$1,000 donated by or on behalf of an awardee.

To learn about the various levels of Rotary Foundation donor recognition, see [Recognition | Rotary International](#).

Rosemary, Kay, Linda and Lawrie

2 Ways To Donate Clothes and Household Goods *(by Rick Jones)*

Over the past year our club has been working closely with two entities that re-purpose and distribute lightly-used clothes and household goods. It's easy to access and here's how to do it:

Solid Ground works to help folks settle into a permanent home, often for the first time. Their clients are coming from short-term housing, incarceration, or a refugee situation. These folks need all the items it takes to

establish a home, often for a family.

Used but working **small appliances** (coffeemakers, toasters, toaster ovens, hand mixers, blenders, etc.) along with dishes, glasses, cutlery, bakeware, pans, etc. are all needed. Additionally, clothes that are workplace suitable are needed for both men and women.

The **University District Family YMCA** works

in our neighborhood and is directly helping people, often in deep poverty and often living on the street or in cars. They have an appetite for **warm clothes** and rain resistant clothes for both men and women. Especially sought after are belts and shoes/boots.

Do you have some of the above items you wish to put back to work? Reach out to Rick Jones at threepointoh@comcast.net and you can coordinate a time for a pick-up at your home or a drop-off at SYL on a Friday. Even better, you can hand your items off at the *3rd Sunday of the month YMCA grab n go lunch prep event*.

New Club Members Inducted *(by Rosemary Aragon)*

ROBERT DELGARDO & TRACEY DELGARDO INDUCTION MARCH 28, 2025

“For nearly 3 decades, Coach Delgado and his extraordinary wife, Tracey, have been pillars of service—both seen and unseen— in southeast Seattle.”

This is a quote from a *Black History Today* article in the February 12, 2025 [Rise Up for Students](#) blog [Black History Today: Robert Delgado, beloved coach with a living legacy of light and love — Rise Up for Students](#).

LET’S MEET ROBERT DELGARDO FIRST.

Robert is an educator, coach, and entrepreneur.

He taught and coached for 22 years in Seattle public schools. For 21 years, he coached men’s basketball at Rainer Beach High School. He was a coach with AAU (Amateur Athletic Union) youth basketball starting in 2000. This is a highly competitive basketball league that focuses on young athletes 15-18 years old. It is known for its nationwide reach. Coach Delgado, as many have called him, shaped not just athletes but leaders, scholars, and men of character.

Robert has been a driving force behind community empowerment, tirelessly fighting against gentrification and advocating for equitable development. He is the Chairman of **Northwest Black Pioneers**, an organization with which he has been associated since 1999.

Northwest Black Pioneers provides academic support, a college prep program, scholarships and group tours to the 22 HBCU (Historic Black Colleges & Universities). Robert says that he focuses on developing strong connections with the students, to build trust and communication. This leads to better engagement and a genuine relationship.

(continued on next page)

Rosemary Aragon introduces Robert (to her right) and Tracey Delgado, with their sponsor, Raymond Connell (at left)

HBCU college tour group

New Club Members Inducted *(continued)*

For families, his focus is to ensure that parents and guardians feel involved and invested in their child's education and future. This partnership can lead to increased support at home, a better understanding of the students' needs, and collaboration to address any challenges and take advantage of opportunities. Bottom line: a more inclusive educational experience for everyone involved.

Robert is also involved with leading the Rainier Beach Resource Center and M.A.R.S. Early learning Academy. Robert grew up in Seattle (the Central area and Rainier Beach). He graduated from Central Washington University.

Something you wouldn't know about Robert: In 2014 he took a group of NBA Minor League G League professional basketball players on a 30-day showcase tour to Shanghai, Zining, and Beijing. They showcased their talents with the possibility of receiving bigger contracts with one of the European professional basketball teams.

NOW TO INTRODUCE TRACEY DELGARDO

Tracey is an educator and an entrepreneur.

She is the Chairman of M.A.R.S. (Math, Art, Reading, and Science) early learning academy. **MARS** is a Dual Language (English/Spanish) Early Learning Academy that takes an approach to learning and development which incorporates areas of Mathematics, Arts, Reading (Literacy), and Science/Social Studies. It serves children ages 3 months to 5 years old.

Tracey has been in the Education and Early Learning field for 32 years. She began this journey with HeadStart in 1992 at the First A.M.E. Church. This is where she gained her passion to serve and empower children, teachers, and families. She co- owned and operated Toddler Tech Child Center for over 18 years, serving infants to 12-year-olds. A shift in her focus began to take shape in her heart and mind when she was at Toddler Tech. It was in the early 2000s, when she started taking Early Childhood Education classes, that her passion for working with children from birth to 5 years grew rapidly...like wildfire.

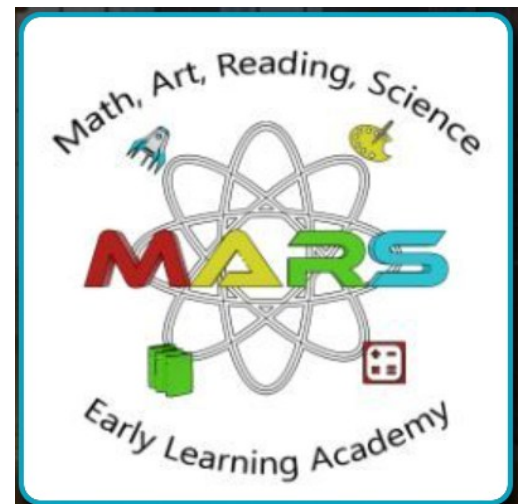

Tracey worked for Seattle Schools for nine years, 2014-2023. Her work as a Human Resources Employment Services professional honed her skills in attracting, selecting, and retaining top talent. She has used that professionally since.

Tracey was born in St. Louis and moved to Seattle in the early 1970s.

She is a Husky! She has a master's degree in education from the UW. She also holds a BS in Business-HR Management from the University of Phoenix.

BTW, Tracey and Robert have 13 grandchildren. All but one living locally.

Something special about Tracey. She told me that when she looks back on her life, she realized that her passion for serving and caring for others began when she was a young girl. She's always felt a strong connection to older people...starting with her regular visits to her grannie's house to clean and do laundry, and helping others in the facility. That caring is similarly characteristic of her commitment to early childhood education.

NEED ROTARIANS to JOIN US May 3 for Duwamish River Restoration service day

(by Dave Spicer, Chair, Rotary District 5030 ESC)

Calling on UDRC Rotarians to join us for a Rotary District-wide service project to help restore the Duwamish River on Saturday, May 3, 9 am-1 pm.

As Chair of our District 5030 Environmental Sustainability Committee, I am looking for several of our Rotarians, (including family members or friends), to join us on April 19. We expect to get a number of Rotarians from other clubs as well. Our very own ESC, chaired by Sally Porter Smith, is endorsing this project.

Our work will include removing invasive species and planting indigenous trees and shrubbery. It is a great day to do something special for Mother Earth.

We will meet at 9 am and will have George Blumberg, historian with the Port of Seattle, share about the major cleanup being coordinated by the EPA as a Superfund site.

We will also have someone from the Duwamish Nation share about the native history going back 10,000 years in connection with the Duwamish River.

There will be coffee and donuts at 9:00 am followed by a vegetarian lunch served 12:30-1:00 pm.

Please let me know asap if you are interested. Contact dspicer@davespicerlaw.com.

Only need to bring boots appropriate for working in the mud and working gloves plus a water bottle. Tools and porto potty provided on site as well as all plants and shrubbery.

Forty (40) people is our quota for this dynamic service day so if you are interested let me know asap.

We are coordinating this effort with Carmen Martinez and the Duwamish River Community Coalition.

Join us for this very engaging outing!!!

Report on Camping Gear Funded by UDRC in June 2024 *(by Sally Porter Smith)*

The youth camping gear for the project described below was funded by a \$4,054 grant from our club: \$1,500 from the ESC and the remainder from the President's Discretionary Account.

Sleeping Bags and Camping Gear: Youth in Environmental Stewardship

In late summer 2024, a group of 12 Duwamish Valley youth took a 2 night, 3 day camping trip to Mt. Rainier National Park. The trip was in partnership with Zero Waste Washington which is working on a project to install water bottle stations to cut down on single-use bottles.

The youth spent their time surveying campers and backpackers for input about the water bottle stations. They also hiked, explored, and enjoyed the beauty of our national park. Of the 12 youths, 9 had never been camping and none had ever been to Mt. Rainier. It was a truly beautiful experience for the youth and the facilitators.

A new cohort of Duwamish Valley Youth will return to Mt Rainier and play a key role in finalizing the design for the refill station signage, which will be installed in both the park and surrounding gateway communities in the next few years. Another cohort of Duwamish Valley Youth Corps will then return after the installation to evaluate the effectiveness of their work by conducting follow-up surveys with park visitors.

The camping gear will enable the Duwamish Valley Youth Corps to participate in a separate invitation to assist in future National Park restoration projects. Carmen Martinez, Director of the Duwamish Valley Youth Corps, is excited to have camping supplies available as it opens opportunities for other outdoor environmental activities.

Camping gear funded by a 2024 grant from the UDRC Environmental Committee made Duwamish Youth involvement in this ongoing project at Mt. Rainier possible.

To read more about the work of the Youth Corps at Mt Rainier, visit <https://zerowastewashington.org/newsletters/3rd-quarter-sept-2024-enewsletter/> and read [Water refill stations at Mount Rainier National Park](#)

2025 District 5030 Symposium April 19, 2025

Empowering Leaders, Cultivating Growth: Strategies for a Thriving Rotary Club

April 19, 2025, 7:30 am - 4:30 pm
Mercer Island Community & Events Center

Save The Date!

Elevate your Rotary experience at the Rotary District 5030 Learning Symposium on April 19, 2025! This one-day dynamic event offers unparalleled networking opportunities and comprehensive training sessions. Connect with fellow Rotarians, share insights, and drive the future of your club together!
