HUMOR AND OTHER USEFUL INFO

My sister has a lifesaving tool in her car which is designed to cut through a seat belt if she gets trapped...
She keeps it in the trunk.

I accidentally used the dogs shampoo this morning...
Now I feel like a good boy

Why do croutons come in airtight packages?
Aren't they just stale bread to begin with?

Anyone want to buy some exercise equipment?
I'm having a going-out-of-fitness sale.

Joe: Every night I take two quarters to bed with me.
Peter: Whatever for?
Joe: They are my sleeping quarters.

Two priests decided to go to Hawaii on their holidays.
They were determined to make this a real vacation by not wearing anything that would identify them as clergy. As soon as the plane landed, they headed for a store and bought some outrageous shorts, shirts, sandals, sunglasses.

The next morning, they went to the beach dressed in their 'tourist' garb. They were sitting on beach chairs, enjoying a drink, the sunshine, and the scenery when a 'drop dead gorgeous' topless blonde came walking straight towards themThey couldn't help but stare.

As the blonde passed them, she smiled and said, 'Good Morning, Father ~ Good Morning, Father,' nodding and addressing each of them individually, then she passed on by. They were both stunned. How in the world did she know they were priests? So, the next day, they went back to the store and bought even more outrageous outfits.

Once again, in their new attire, they settled down in their chairs to enjoy the sunshine. After a little while, the same gorgeous topless blonde came walking toward them. Again, she nodded at each of them and said, 'Good morning, Father ~ Good morning, Father,' and started to walk away.

One of the priests couldn't stand it any longer and said, 'Just a minute, young lady.' 'Yes, Father?' 'We are priests and proud of it, but I have to know, how in the world did you know we are priests, dressed as we are?' She replied, 'Father, it's me, Sister Kathleen.'

Golfer: "You must be the world's worst caddy!"
Caddy: "No, that would be too much of a coincidence."

My math teacher asked me why I was doing my math homework on the floor.
I said: "You told us to do them without using tables."

My wife claims I'm a baseball fanatic. She says all I ever read about is baseball. All I ever talk about is baseball. All I ever think about is baseball.
I told her she's way off base!

The longest drum solo was 10 hours and 26 minutes...
And it was performed by the child sitting behind me on Delta flight 963 from LA to Tokyo.
