THE SPONSOR OF A NEW MEMBER

The bylaws of Rotary clearly outline the procedure for a prospective member to be proposed for Rotary club membership. The "proposer" is the key person in the growth and advancement of Rotary. Without a sponsor, an individual will never have the opportunity to become a Rotarian. The task of the proposer should not end merely by submitting a name to the club secretary or membership committee. Rotary has not established formal responsibilities for proposers or sponsors, however, by custom and tradition these procedures are recommended in many clubs. The sponsor should:

1. Invite a prospective member to several meetings prior to proposing the individual for membership.
2. Accompany the prospective new member to one or more orientation/informational meetings.
3. Introduce the new member to other club members each week for the first month.
4. Invite the new member to accompany the sponsor to

neighboring clubs for the first make-up meeting to learn the process and observe the spirit of fellowship.

5. Ask the new member and spouse to accompany the sponsor to the club's social activities, dinners or other special occasions.

6. Urge the new member and spouse to attend the district conference with the sponsor.

7. Serve as a special friend to assure that the new member becomes an active Rotarian.

When the proposer follows these guidelines, Rotary becomes stronger with each new member.

There is a real need for some interested members to sit on a grant committee. There are funds available to our club through District, Rotary International and others that we need to tap into to help fund existing (and possibly) future projects. This is an important job and needs some wind under its wings. Please consider pitching in and helping our club to secure grant funding. Talk to President Matt if you can help out.

Our grant committee (the one that distributes funds) is setting up a meeting to review proposals for funding for what we have so far. Once that is done, it will be presented to the board for selection and funding.

The Foundation is looking for new members to help with some very important work. If you are interested, please contact Tom Schiess

Alan Eberlein is looking for more bios to place on these pages. If you haven't already, please fill one out and get it to him.
