### Speakers

### Welcome

I know everyone has been sitting at their computers waiting for the late bulletin, but I can explain! If you haven't noticed (but I'm sure you go over every detail that comes with the bulletin every week) we have some interesting information about members each month. What caught my eye last night was Gary Potter's Years of Service to the club. 41 years is no small feat and I wanted to recognize that! So I called Gary and asked how he was feeling, and he told me he wanted to make the climb to the second floor at

Latiff's and join the meeting. So tomorrow I invite you to come to the meeting, enjoy breakfast and share some stories. I have a couple in mind myself. New to the club and haven't known Gary very long? Share something that you've enjoyed about the club so far! I hope to see you all tomorrow!
