President Bob Sweeney's Message

Wednesday, March 26, 2025

Dear Rotary Family,

We had a great meeting last week. We heard from Jason Martin, General Manager for Rancho Water, who gave us an overview of Rancho Water and spoke about our water supply sources and conditions, and our local water sustainability projects, agriculture sustainability and emergency preparations. We also heard from Alex Kowalkoski about the Riverside County Carnival and the opportunity to raise funds for our Rotary club. The carnival is running from May 23-May 26 and May 30-June 1, 2025. Tickets are available by using the QR code on this flyer:

At our April 12th club meeting, we had heard from Samuel Nehemiah. At that time, some of our members asked how they could contribute to his nonprofit, ProXteem. For those who have inquired, here is his contact information: Samuel Nehemiah (ProXteem), 1142 East Washington Ave., B, El Cajon, CA 92019. He has indicated that it is a 501c.

Now, once again, get ready to mark your calendars, because we have some big events coming up.

First, we will be having our club's Fireside Chat tomorrow at 4:30 p.m. at Oscar's Brewing Company. It is a great opportunity to learn about all the different projects and committees that our club does and has.
