Water Project: Volunteers Needed

Water Project:

Please indicate your interest in being part of the 1st Nation Water Project by talking to Laurell or Gil.

We will be having our first meeting in December, time TBD.

We are working to identify what reservations have people who do not have available water at their homes and we hope to make an impact by providing a reliable water source for them. It is our goal to partner with other Rotary Clubs nationally and internationally for funding and knowledge resources. We need volunteers to help us.

Thanks,
Laurell Richey
