A promotional graphic for the OceanFirst Institute. The background is a vibrant blue with a wavy, water-like texture. On the left, there is a circular portrait of a woman with long dark hair, identified as Annie Goyanes. To the right of the portrait is a stylized purple and blue shark logo. The text "ANNIE GOYANES" is written in large, white, bold, sans-serif capital letters. Below that, "OCEANFIRST" is written in a larger, bold, dark blue font, and "INSTITUTE" is written in a smaller, bold, purple font below it. At the bottom of the graphic, there is a white text block that reads: "WE ARE A TEAM OF SCIENTISTS, EDUCATORS, DIVERS, EXPLORERS, FILMMAKERS AND COMMUNITY LEADERS DEDICATED TO CREATING A PATH OF HOPE AND CHANGE TO IMPROVE THE HEALTH OF OUR OCEAN."

Photo Fun!

The VCP Laundry Project is complete! Thank you , Dan Gust.

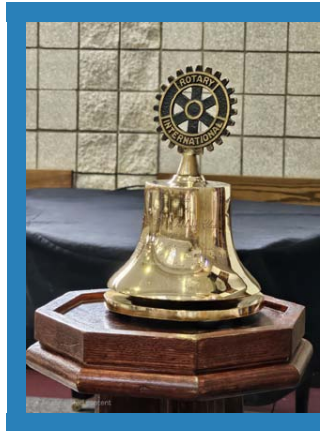

Great speaker last Thursday: Javier Camacho, Platter River Power Authority.

Congratulations to our Students of the Month too!

Psst! Notice Our Shiny Rotary Bell?

As many of our new members will discover and our long-time members already know, Rotarians seem to develop a sixth sense around the ability to spot a need within their communities and garner the resources to meet those needs. Sometimes that effort materializes in a major undertaking that includes our club along with several area partners, but on other occasions the service may be less overt.

In the latter category, is member Al Guse. A few weeks ago, and in honor of our upcoming 40th anniversary, PK devoted his Trivia questions to pieces of our club's history, including the dedication engraved on our Rotary bell. The bell was a gift when our club was founded in 1985, and it had been hard for PK to decipher the dedication etched on the bell because of its tarnished condition.

The following week, the bell sported a renewed spit-and-polished shine. Al had quietly taken the bell home; consulted with Snyder Jewelers for the safest polish to not damage the metal finish; polished the bell; and returned it the following week to its place of honor at the front of the room to open each weekly meeting.

In case you missed PK's Trivia, here's the engraved dedication which can now be easily read on our Rotary bell:

*May 18, 1985
Presented to Twin Peaks Rotary Club
by Edward Lehman
In memory of Joseph Q. Rose
A community leader and dedicated Rotarian
President of Longmont Rotary 1979 to 1980*

Thank you, Al, for noticing the need and addressing it.

Fortieth Anniversary This Year!

Survey Says...Save the Date

Survey Results

Thank you to over 40 members who responded to our recent survey regarding in which setting to celebrate the club's fortieth anniversary. Over 28.6% preferred our Thursday, May 15, regular luncheon combined with 33.3% willing to support any of the three settings. The Saturday evening banquet format garnered 21.4%, and the Saturday casual picnic landed at 11.9%. So, we are moving forward with preparations for **Thursday, May 15, as our 40th celebration**. Save the date and watch for guest registration to open in a few weeks.

Bingo Fundraiser for Our Club's Water Project and Youth SOSSAS Project

Laurell Richey, Service Chair and Water Project Chair, will be recruiting members to serve on four teams to run bingo from 9 -11 pm on Saturday's at the Longmont Bingo Hall. The money earned will help fund the Water Project and the Youth SOSSAS project. There is the potential to earn over \$4000 per month!

March 2025 Students of the Month

Congratulations Jackson and Rhys! Thank you Rebecca Lynch for your work on this.

Lyons – Cole Gjertson (Counselor & Coach) *Not able to attend*
Cole Gjertson is one of the most accomplished seniors at Lyons. We affectionately call him a "Cole of All Trades". Not only is he successfully navigating a full schedule, but he is also earning his EMT certification and

works almost full time at his dad's business. He is an incredibly talented skier, and his coach states the following:

"Cole stepped into the 24-25 season with focus and determination. His leadership from day 1 earned him a well-deserved position as one of our team captains. Cole's training and focus paid off with fantastic performance this season. Consistency and multiple top ten finishes in slalom and giant slalom have earned Cole a spot on the All-State GS team, a 7th place finish in the Colorado Cup (a season long competition), and an invitation to compete at Western Nationals. Cole has been an exemplary athlete this season and we will miss him next year!"

Cole - Lyons is proud of you and is grateful for your kindness, generous spirit and your contributions.

Skyline – Tobias Pinson (David Speckl, - wrestling coach) *Not able to attend*

"Tobias Pinson has been an exemplary leader throughout his four years in the Skyline Wrestling Program. He has served as captain the past 2 seasons. This season he really evolved into the leadership position. As a leader, Tobias exhibited the core values of our wrestling program. These core values include character, integrity, resilience, perseverance, dedication, conviction, mental toughness and teamwork. It is rare to find a student-athlete who possesses and consistently demonstrates even a small number of these characteristics. Tobias exhibited them both on the mat and off the mat. We have a motto "Prove it every day!". Tobias did just this through his leadership. He "walked the talk" and served as a great role model for all the wrestlers in the program. I can easily give examples of each of our core values and how Tobias lived up to them. Perhaps the greatest thing that he brought to the table was his vision and emphasis on goals. He worked tirelessly to achieve his own goals, while encouraging everyone else in the room to pursue their own. At the end of almost every practice, Tobias would share his vision and encourage others in the pursuit of their individual and team goal.

His goals on the mat were certainly met this year. He became a 3-time regional champion and a 2x State placer. He finished 5th his junior year and finished his senior campaign by reaching the state finals and finishing 2nd. He earned over 100 wins in his career finishing with an impressive 45-2 record his senior year."

We are incredibly proud of Tobias' accomplishments and believe he would be a most deserving recipient of the Twin Peaks Rotary Student of the Month award. ***Skyline is proud to call Tobias, a Skyline Falcon!***

Silver Creek – Jackson Coleman (Barb Norrbom)

"I have been so fortunate over the last 4 years to watch Jackson Coleman grow, not only to be a good foot taller than me, but also as the kind, intelligent and hard-working person standing in front of you all. I am happy to nominate him for this student of the month honor. As a multi-sport athlete in track and football, Jackson has achieved much, including signing with a university to play football. He has also overcome adversity by sustaining a serious injury and doing months of rehab. His coaches and teachers hail Jackson's incredible work ethic, positive attitude, willingness to help other students, as well as his leadership on the track and the field. I am honored to work with Jackson and proud of his many accomplishments."

Longmont – Darren Odom (Rhys)

Longmont High would like to recognize Darren Odom (goes by Rhys) for Student of the Month--Male Athlete. Rhys is a 3-sport athlete in football (1 year), basketball (all 4 years), and track (all 4 years.) He has a letter in football after playing for just one year as a wide receiver. Rhys is getting a varsity letter in basketball this year. He plays in a power forward position and is Captain of his team. Rhys also has 2 letters for track and is getting

a 3rd track letter this year. Rhys is a strong student taking honors and AP classes all 4 years. He has a 3.56 GPA and will earn our prestigious High School of Business diploma at the end of this year. Rhys is on the Yearbook staff and participates in Future Business Leaders of America (FBLA). In a couple of weeks, Rhys will be competing at the state level for FBLA in an Investments and Securities event.
