Electronic Check-In!

The club is now using **electronic check-in!**

Instead of a paper sheet, you tap the box beside your name on the screen of the laptop. When it turns **green**, you're checked in.

Member	Badge #	Member Type	Meal Code
<input type="checkbox"/> Althaus, Jeff	97	Corporate-Associate	
<input type="checkbox"/> Ankrum, Sherry	91	Active-Exempt	
<input type="checkbox"/> Basil, Thomas C	37	Active	
<input checked="" type="checkbox"/> Bauer, Emily	13	Active	
<input type="checkbox"/> Benschmidt, Steve	41	Active	
<input type="checkbox"/> Bickers, Laura H.	15	Active	

The only time to be concerned about the Meal Code field will be for member types that do not prepay meals AND opt not to eat that week. In that case, mark yourself present first, then use the Meal Code dropdown options to pick "No Meal Eaten." For those member types who do not prepay meals, your quarterly invoice will still reflect the meeting dates related to your meal charges.

Guests will continue to be entered on the paper sign-in sheet to collect more information about them. We will have helpers at the table to assist you if you have any problems with the new check-in procedure.

This change will save treasurer Doug Linton time previously devoted to recording attendance.

Students of the Month - Female Athletes

Lyons – Leah Shelton

Leah's dedication to athletics is unparalleled, as she has been a four-year varsity member of the Cross Country and Track teams, as well as a two-year varsity member of the Basketball team. Her honors include First Team All-State for two years, three-time All-State Honorable Mention for Cross Country, and multiple achievements in the Mile High League.

Beyond athletics, Leah has shown a deep commitment to her school and community. She has been an active participant in various activities, including four years in the Science and Leadership program, three years with the Lions Leos, two years in the National Honor Society, and one year contributing to the Yearbook.

Leah's Basketball coach comments that "Leah has emerged as a leader in her senior year. Wise beyond her years to start with, Leah leads by example, puts forth her best effort, and exhibits a positive attitude that is infectious."

The Lyons track and cross-country coach states that "Leah has been the top runner for Lyons cross country for 3 years running and has thrived as the leader of the team. She encourages and motivates all the athletes to strive for greatness while holding them accountable on a daily basis. She excelled at that role this year by taking charge of the warmups, drills, and all supplemental work that is crucial for individual and team success."

Congratulations, Leah! Lyons is proud of you!

Skyline – Keira Reuter

Skyline High School would like to nominate Keira Reuter, a senior at Skyline High School. Keira is an exceptional young woman who embodies the very essence of what this award represents – a well-rounded student with outstanding character and leadership qualities.

"Keira is an exceptional student-athlete who consistently demonstrates dedication, leadership, and a strong work ethic across multiple sports. She is a fierce competitor with an unwavering desire to win, yet her sportsmanship and support for her teammates always shine through. Keira possesses a tremendous work ethic, consistently going above and beyond with extra practice and dedicated training even on her off-days. Her toughness, leadership by example, and unwavering integrity make her an outstanding athlete and a true representative of our program. She is a highly coachable and resilient athlete who consistently strives for improvement, pushing through challenges with grace and a positive attitude. Keira is a fantastic

teammate who supports and encourages others, setting a high standard for sportsmanship and character both on and off the field. Her commitment to excellence and her positive influence on others makes her an invaluable member of the school community.

We are incredibly proud of Keira's accomplishments and believe she would be a most deserving recipient of the Twin Peaks Rotary Student of the Month award. "

Skyline is proud to call Keira, a Skyline Falcon!

Silver Creek – Cloe Ruth

Cloe has been an outstanding Student/Athlete here while at Creek. She finished 2nd overall in the state during the Fall in X-Country and has placed at least tenth overall in various Track competitions including the 400,800- and 1600-meter race. Cloe is involved in our National Honor Society as she has taken a leadership role serving as the co-president. Cloe plans to attend the University of Utah and study Kinesiology. While her accomplishments may be impressive, it is her humble and kind demeanor that separates herself from her peers. Cloe is a model student who helps her peers at every opportunity that arises. She is a true leader here at Creek and I know she will go far in her life!

Longmont – Zia Gonzales

Longmont High would like to recognize Zia Gonzales for Student of the Month-Female Athlete. Zia is a three-sport athlete in volleyball, basketball, and track. She has quite the academic comeback story to share.

Ads On Our Website!

A Board Committee is in the process of setting up the opportunity for club members to advertise their business on our website. (See upper left corner in the above picture.) The details are still being decided. But stay tuned! This could be great for our club operations budget and for our members businesses! The chairs are Emily Bauer and Donna Mercier. Feel free to offer suggestions and ask them questions. More soon!
