Long Awaited New Member Induction Ceremony

By Donna E. Mercier

It recently came to our attention that we had some unfinished business to address. In spring of 2020, Doug Linton became the primary Active member of a corporate membership for Front Range State Bank with Mark Sheeley and Teresa Landwher as the two Corporate-Associate members. As you may recall, 2020 was when we suddenly stopped meeting in person, and they were not inducted in front of the club. That changed last Thursday. We surprised Doug with his very own, if somewhat delayed, new member induction ceremony. Thank you, Doug, for being such a good sport. And thank you, Dietra Porter, for signing Doug's membership certificate, and Rick Samson, for plotting with me to pull off the surprise.

Photo Fun!

We finally inducted him last week. (A COVID oversight.)
Congratulations, to our Treasurer, Doug Linton!

OCEAN FIRST INSTITUTE BY THE NUMBERS

Over **10 years** in Service!

People Served:
500,000+

Grants and Donations:
1.5 million+

Thanks for your work on getting speakers, Dennis Coombs.
Great presentation by Annie Goyanes of OceanFirst!
(Some photos via Zoom.)

Bingo Fundraiser

Laurell Richey, Service Chair, will be recruiting members to serve on four teams to run bingo from 9 -11 pm on Saturday's at the Longmont Bingo Hall. The money earned will help fund service projects. There is the potential to earn over \$4000 per month! More information at tomorrow's meeting.

Veterans Community Project Village Flooring Installation

During last Rotary year we were granted a district community grant for flooring for tiny homes at Veterans Community Project Village.

Come be part of installing this new flooring on Saturday, April 26.

You will need to register and complete waiver paperwork prior to the day of installation. [Click here](#) to complete the registration process if you would like to volunteer. If you have any questions or concerns, please contact me.

Tom Basil

BUILD DAY SCHEDULE & LUNCH

The build day will be from 8:30 AM - 3:30 PM, with a lunch break & a morning presentation from VCP. We'll have an indoor area where people can sit down and eat lunch on site. The club will provide lunch for our volunteers.

ADDRESS 3095 Mountain Brook Drive, Longmont, CO 80503

ATTENDANCE We ask that volunteers arrive no later than 8:30 AM , so they are present for the presentation, safety brief and explanation of their build day.

TOOLS & PPE We provide gloves, hard hats, and tools for construction.

Volunteers can bring their own items if they wish, but volunteers should know that they will be responsible for their items, and VCP cannot replace any things that break or go missing. **Please DO NOT bring any power tools!**

Fortieth Anniversary This Year!

Celebration: May 15th during meeting

Ads On Our Website!

Members, you can advertise your business on our website! (See picture in the upper left corner of the above picture.) See Emily Bauer or Donna Mercier to get the details and sign up.
