District Governor Sue Krahe-Archibald

February Theme: Peace Centers and World Wide Fellowship Opportunities

By Sue Archibald

The Otto and Fran Walter Rotary Peace Center at Bahçesehir University in Turkey is not just another educational initiative. It's a beacon of hope and a powerful tool for fostering peace in some of the world's most conflict-prone regions.

This new peace center will offer a one-year professional development certificate program, specifically designed for experienced peacebuilders in the Middle East and North Africa. Graduates will earn postgraduate diplomas in peace and development studies, equipping them with the knowledge and skills needed to address complex challenges in their regions.

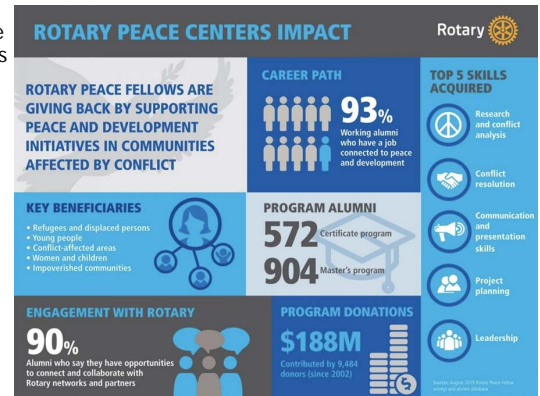

I'm thrilled that **Leta Lindstrom, President of the Sierra Vista Sunrise Rotary Club**, will be attending the opening of this new center in Turkey. Her experience at the opening is sure to be both inspiring and enlightening, and it's exciting to think about how the work being done at these Peace Centers can create lasting change in the world. I'm sure her firsthand account will provide valuable insights into the importance of these initiatives and how individuals can get involved.

Speaking of which, the **Rotary Peace Fellowship** program is an incredible opportunity for professionals dedicated to making a difference. With over 1,400 alumni working in more than 115 countries, Rotary has built an impressive network of leaders who are committed to advancing peace through various sectors. Whether it's through government, law enforcement, education, NGOs, or the military, these fellows are making significant strides toward peacebuilding on a global scale.

The District 5500 Peace Committee's active involvement in these efforts is also worth noting. It's great to see that individuals interested in learning more or getting involved can contact **Doug May** for further information. Rotary's approach to peacebuilding through education and professional development is not only innovative but necessary in a world that faces increasingly complex global challenges.

It would be amazing to see how these efforts continue to evolve and how more individuals can be inspired to contribute to a peaceful future.

Have you thought about getting involved with Rotary or any of its peace initiatives? Or perhaps you've seen firsthand how these programs are making a difference? It's always inspiring to hear more stories of impact!

Reminder: Club Dues Are Due!

District 5500 and Rotary International dues invoices were sent out in late January. It's time to respond.

Thanks,
DG Sue

TRF Weekly Message: How Do Global Grants Make Sustainable Change in the World?

One remarkable aspect of The Rotary Foundation is that opportunities for significant projects exist wherever there's a need — in large countries and small ones, in metropolitan areas and rural ones.

Global grant projects are built on international partnerships, and those collaborations can take many forms. A district in Canada may be the international sponsor, with a U.S. district as the host sponsor. A club in France could sponsor a global grant project in Germany. The need, not the location, determines the project.

Here's another example: Rotary clubs in Honduras and the U.S. worked together on a global grant project to provide eye care to people in Honduras. Members from both clubs provided vision services through local clinics. They evaluated more than 1,200 people and gave prescription eyeglasses to 600. A local nongovernmental organization will continue to provide glasses and medications to people who need them.

What does this mean for the community? Better eyesight can lead to better educational or occupational opportunities, which can mean a better quality of life for people.

Clubs around the world use these grants from the Foundation to make long-term, sustainable change. Every club has the opportunity to do this, one project at a time.

How do you want to make an impact in the world?

Create Your Personal Rotary Legacy

If you love The Magic of Rotary and the good it does for people and Planet Earth, consider adding The Rotary Foundation as a beneficiary of your estate plans.

Becoming a benefactor is simple—just commit \$1,000 or more to The Rotary Foundation through your estate plan. For those who wish to make an even greater impact, The Bequest Society welcomes individuals who commit \$10,000 or more through their estate plans. This process is straightforward and can be customized to support specific areas of focus, international programs, or initiatives within your district. You can even name the fund in honor of a loved one, ensuring their legacy lives on through Rotary's work.

Many Rotarians have already taken this important step to keep the Rotary legacy alive. We deeply appreciate their dedication, generosity, and continued support. Their spirit of giving allows The Rotary Foundation to fund life-changing projects, grants, and humanitarian efforts today and into the future.

For more information on how you can become part of this legacy program, please contact District 5500's TRF Endowment team, John Oszust at johnoszust@outlook.com or Monica Oszust at Oszustmonica@gmail.com.

District to Hire Part-time District Administrator

By Bruce Monro

As previously announced, Kasia Yuska will be leaving the position of District Administrator no later than the end of this Rotary year. The District is starting to actively search for her replacement. Before we open it to the general public, we are first determining if there is any interest from our members. We invite interested Rotarians or others recommended by Rotarians to consider applying for this position.

The District Administrator provides continuity of support and efficiency to clubs and District leadership. The position is classified as an employee. The individual serves at the direction of the District Governor and provides support for the management of district operations, club services and some social media functions.

Qualifications/Responsibilities:

- Three or more years of experience in an administrative role that requires strong organizational, interpersonal, communication and problem-solving skills.
- Experience working in a non-profit environment would be ideal although not required.
- Excellent verbal and written communication skills, strong computer/internet skills with proficiency in Microsoft Office and Google Docs products, and on-line publishing software like Canva and Flip-html.
- This position also requires the ability to work independently as well as in a team environment and will be working with a fun, professional, and friendly group of people.
- This **part-time position** is for a maximum of 20 hours per week at a rate of \$25/hour.

Interested individuals should submit a statement of interest and a current resume. The complete job description is posted [here](#).

Due Date: Friday, March 14th, 2025

Submit to: The District 5500 Governor, Sue Archibald

Attention Peacebuilders and Peace Ambassadors

Our February meeting features a presentation by our **fellow Rotarian from District 5495, Past District Governor, Larry Horton**. He will answer the question, "What is a Positive Peace Activator?"

Larry will share his story of becoming an IEP Positive Peace Activator and how he became deeply involved. Larry will also tell us about his training and how he actively helps clubs become advocates and ambassadors of Peace. Larry can also help individuals develop their own personal peace program.

The meeting on Wednesday, Feb. 26, will start at 6:00 pm.

Zoom link [here](#).

Larry joined a satellite club in Phoenix in 2011 and took the lead in converting it to the Rotary Club of Camelback Crossroads in August, 2024. Larry served as District Governor in D5495, Northern Arizona, in 2022-23.

After retiring from a career in law enforcement and commercial real estate, Larry was certified as an IEP Positive Peace Activator. Rotary International partnered with the Institute for Economics & Peace to provide extensive training for selected Rotarians at RI headquarters

in Evanston.

As a Positive Peace Activator, Larry explains the difference between negative peace (absence of war and armed conflict) and positive peace (attitudes, institutions, and structures that create and sustain peaceful societies.) In addition, Larry discusses the eight Pillars of Positive Peace (for example, equitable distribution of resources, free flow of information, low corruption, good government, etc.)

As a Peace Activator, Larry can help clubs promote positive peace through workshops, virtual or in-person training, or presentations at club meetings

In addition to discussing public promotion and advocacy of peace, (for example, establishing Peace Poles in communities or conducting peace symposia), Larry also helps Rotarians develop a personal, individual positive peace ethic to use in everyday life.

Ellie Patterson and Doug May, Peace Committee co-chairs, are inviting you to a scheduled Zoom meeting.

Rotary International Convention in Calgary

By Virginia Leavitt

Have You Registered?

We are only 4 MONTHS away from Calgary! If you haven't registered yet, there is still time before the registration fee goes up again on March 31st. [Click here to register](#).

At this time we have 59 Rotarians from District 5500 signed up.

District 5500 Dinner

Our District dinner will be Tuesday, June 24th, 5:30pm, at the Hotel Blackfoot, 3.5 miles from the Convention Center. The cost is \$75. It will be a buffet with a cash bar.

As soon as we get the registration set up, I'll send the link to the Rotarians that are participating. It will also be in the IMPACT! newsletter as I don't have the names and emails of all the Rotarians. If you clicked the box that said "Don't share my information" when you registered, please go to your registration and unclick or let me know. I have 9 people that I don't have contact information for.

A Richer Retirement: Lessons from a Financial Legend

FREE EVENT!

On Thursday, March 6, at 1:00 pm at the Ranch House Ballroom of SaddleBrooke Ranch at 31143 S Amenity Drive, SaddleBrooke Ranch, Oracle, join us for "A Richer Retirement, Lessons from a Financial Legend."

The Rotary Club of SaddleBrooke is hosting a complimentary event on the latest research needed for your retirement planning from the "Father of the Four Percent Rule," Bill Bengen.

To save your seat, register at <https://saddlebrookerotary.com>. Bengen is mentioned in almost every recent book about retirement planning. You'll recognize his work as the "Father of the 4% Rule" if you've been studying retirement or financial planning. Not only is Bengen in the financial planning college textbooks and magazines, frequently in the *Wall Street Journal*, *Barrons*, *Forbes*, and *AARP* publications, but also the subject of many articles. Just google his name. Bill frequently speaks nationally and internationally at conferences and events for financial literacy, CPA's, and Financial Planning. If you're into podcasts, you might have heard Bill's folksy style on some of the top-ranked financial podcasts such as Paula Pant's *Afford Anything*, *Catching Up to FI*, or on any of a number of podcasts in the United States and foreign countries. And now, he'll be speaking at SaddleBrooke Ranch!

Bengen's latest book, *A Richer Retirement, Supercharging the 4% Rule to Spend More and Enjoy More*, will be coming out in August. However, attendees will get the inside scoop on the latest research on retirement well before the book comes out. His last book is based on over 30 years of research. There is even a case study on altering your retirement planning when you are well into your retirement years. The book is available for pre-order on Amazon, Barnes & Noble, and most major booksellers, but won't be delivered until August 5th. So, you don't want to miss this.
