District 6110 Newsletter

District Governor Warren's message MARCH 2025

The Chileans are Coming in April to District 6110!

The 2024 Chilean team with DGE Warren and the Rotary Friendship Tree

One of the most exciting new developments in District 6110 is the D2D (District to District) program that we established in 2023 with Rotary District 4355 of southern Chile. This relationship is the product of years of work by PDG Ellis Potter, the Iola, Kansas Rotary Club, and Rotary leaders in Chile.

The first delegation of six Rotarians from District 6110 made a two-week visit to Chile in December 2023, visited several Rotary Clubs there, and had a great experience. In April 2024, five leaders from District 4355 visited here for two weeks. My home Rotary Club in Nevada, Missouri was fortunate enough to host them for a day, and we had a memorable experience.

Three months ago, our second delegation of eight D6110 Rotarians spent two weeks in southern Chile, led by D2D Chair Lisa Engel. They again had a transformative experience. Therefore, it was exciting to receive the itinerary of District 4355's second delegation to our District. The five (or possibly six) Chileans will arrive in Tulsa on Monday, April 21st, and will begin two weeks of whirlwind visits to Rotary Clubs and communities in District 6110 - including 9 in Oklahoma, 2 in Missouri, 1 in Kansas, and 8 in Arkansas.

We will also get to visit with them when they attend our Legacy Celebration and District Conference on May 2nd and 3rd, in Rogers, AR. If you have the opportunity to meet these impressive Rotarians, you will discover that we share the same goals - to make our communities, districts, and countries better, through altruistic service. That realization confirms the importance of international Rotary exchanges!

Warren Lovinger
District 6110 Governor

Rotary Dates

[Calendar](#)

Rotary leaders want to get dates on their calendars - as far in advance as

[icons created by pojok d - Flaticon](#)">

possible, but also as a reminder of "what's next". *Criteria: Big-picture events, NO club events/fundraisers***, but events and/or deadlines that club leaders need to know.

Important and District-wide (and beyond) Rotary Dates

- March 20, **Assistant Governor (AG) Training**, Fort Smith AR
 - March 20-22, 2025; **MAPETS, required** for Presidents Elect, Fort Smith AR (Help your President-Elect bring new childrens/teens shoes for service project)
 - April 8, 2025: 6:00–7:15 PM, **Grants Management Seminar**, Zoom
 - May 2, 2025: **TopGolf Tourney**, Rogers, AR
 - May 2, 2025: **Legacy (Foundation) Dinner**, Rogers, AR
 - May 3, 2025; **District Conference**, Rogers, AR
 - June 21-25, 2025: Rotary International **Convention** in Calgary, Canada
 - July 12, 2025: **DG John Rains Installation**, Sapulpa, OK
 - August 9, 2025: Zone **Summer Leadership Seminar**, OKC
 - Sept 2-6. 2025: Zone **Institute**, Columbus, OH
 - October 16-19, 2025: **RYLA**
 - March 19-21, 2026; **MAPETS** - May 1-2, 2026; **District Conference**, Renaissance Hotel, Tulsa
 - June 13-17, 2026: Rotary International **Convention** in Taipei, Taiwan
 - June 5-9, 2027*: Rotary International **Convention** in Honolulu, Hawaii
 - May 27-31, 2028*: Rotary International **Convention** Minneapolis, Minnesota (Note: not 2029 as was earlier announced, it's 2028 for Minneapolis).
 - 2029: Rotary International **Convention** - to be determined
 - May 25-29, 2030*: Rotary International **Convention** in Chicago
- * Tentative dates and locations for planning

WHAT'S THIS ALL ABOUT: Plug these dates into your calendar - you don't want to be a Rotarian without a date, do you?

****Check the DACdb Calendar for Club events!**

Shoes for Orphan Souls at MAPETS

Last Rotary year, District 6110 joined with the other Missouri Districts (6040, 6060, & 6080) to conduct a shoe drive, dubbed "Shoes for Orphan Souls." The project began over 20 years ago with then District Governor Larry Lunsford in Kansas City. Working together, the 4 districts collected more than 43,000 shoes and raised \$56,000! These shoes are sent by [Buckner International](#) to vulnerable children in Central America and Africa.

This Rotary year, every President-Elect is asked to bring shoes to MAPETS (Mid-America President-Elect Training Seminar) to continue the project. Larry Lunsford, now the Vice Chair of the Rotary Foundation, will speak at MAPETS and will be thrilled to see the project continued in the MAPETS Districts, (6110, 6150, 6170, and 5750) which include Missouri, Arkansas, Kansas, and Oklahoma.

ASK YOUR President-Elec if they need more shoes (the answer is yes) and help by providing new, close-toed youth shoes to be donated at MAPETS coming up very soon March 20-22.

Actually, EVERYONE attending MAPETS is

asked to bring shoes - Presidents-Elect, Nominees, Presenters, Evaluators, Facilitators, PDGs...basically anyone who shows up at MAPETS needs to bring shoes to help the service project...and help children that need shoes.

This is an easy way for your club to take part in an international project. Over the 20+ years that the project has been nurtured by Larry Lunsford, 438,139 children have received shoes! You can be part of that just by sending shoes with your President-Elect!

GOOD SHOES TAKE YOU TO GOOD PLACES

MARCH 20-22 MID-AMERICA PETS - FT SMITH, AR

Legacy Campaign nears finish line

The District's Inaugural Legacy Campaign "Thermometer" has burst through the original \$2 Million Goal and now stands at \$3.1 Million in major gifts, pledges, and bequests. Whoo Hoo! There is still time to join in the fun to be part of this record-breaking total with just a few weeks to send bequest pledges to Carl Davis (Carl.Davis@rotary.org or 847-424-5343) to make them part of our Legacy total. The campaign ends on 3/31/25, allowing us one month to do final confirmation and tabulation, with the totals to be announced at the Legacy Celebration Dinner on Friday evening, May 2nd! Contributions of \$10,000 are considered major gifts and can be paid over three years. A bequest of \$10,000 from your IRA or other fund is another way to support the Foundation's permanent endowment. And gifts of \$25,000 and above become a "Named Gift," with annual reports made to those so named. It's a great way for your kids or others to hear about what your legacy is doing for the world.

Remember these gifts are to the Rotary Foundation's permanent endowment, which provides good works *forever*. Based on \$3,000,000, we can reasonably expect the District to receive about \$90,000 EVERY YEAR for District grants etc. Now that is a legacy anyone would want to be a part of!

WHAT'S THIS ALL ABOUT: Annual giving towards Paul Harris Fellowships is great as about half of that money comes back to the District in three years. But then the pipeline is empty and must be refilled again the next year and so on. However, a gift to the Legacy Campaign Share goes to the Rotary Foundation Endowment's permanent fund, and returns about 3% every year in perpetuity. That's a lot of "Doing Good in the World!" If you have questions, quickly contact one of the captains found in the "read more" section below.

[Read More](#)

Our District's e-Club of Engagement's projects in Haiti

Do you know about our District's newest club? Our "e-Club of Engagement" is less than two years old, but is already making a significant difference in the world. Engaging in international projects is often a problem for many clubs. A lot of uncertainty. Is this really a worthy project? Will it be managed responsibly, and will our money be spent wisely? How will we know for sure what the results are?

The Rotary e-Club of Engagement has a project to answer those questions. It's called the

Haiti Engagement Project. Organized as a club committee, the project formed a partnership with The Hope Foundation of Fort Smith to launch a small portfolio of curated projects that will appeal to the various interests of individual Rotarians and clubs. How does this project differ from most? It's in our motto: "Helping You Help Others". This is not just our e-club project, it is a campaign for Haiti that:

- (1) Is designed to attract broad Rotary engagement by clubs and individuals and
- (2) Can ensure Rotary's participation is responsibly conducted, transparent, and achieves the results intended.

So how do we do that? We select projects and establish relationships with carefully vetted partners that we know to be trustworthy and reliable. We fund most projects monthly, not in a lump sum. This allows us to monitor them closely and verify the results.

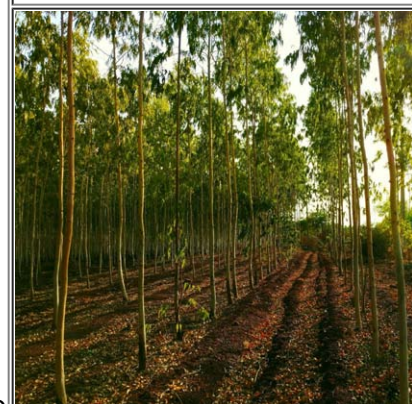

There are several Rotary clubs in Haiti, though many are not operating in the current dire situation. Recently, work was done through the Cap Haitien club on the north coast until the gangs took over. Currently, we are looking to work with the Rotary club in Jacmel, on the south central coast. We've corresponded with the president and assistant district governor of that club. We have NGO partners nearby that could stiffen up that relationship. But it takes time.

With support from Rotary, churches, and individuals, we currently have six projects in Haiti, which we are funding at about \$30,000 per year:

- With a special formulation, we can reverse severe, acute malnutrition in a child in eight weeks. We fund 60 children a year.
- Human trafficking is a heart-wrenching problem, and it flourishes in Haiti. We fund programs for trafficked children in two locations in Haiti.
- Due to the unrelenting killing of civilians by gangs, Haiti is filled with abandoned children. The government has cracked down on orphanages due to corruption and abuse and now favors foster care. We fund 12 children in foster care families.
- 30%-50% of gang members are children – teens and pre-teens. The kids have no employable skills, no jobs, nothing to eat. They are sitting ducks for gang membership. We fund two projects to teach employable skills and entrepreneurship to young people, to produce food and income and to keep them out of gangs.
- Clean water is a critical problem. We fund bio-sand filter

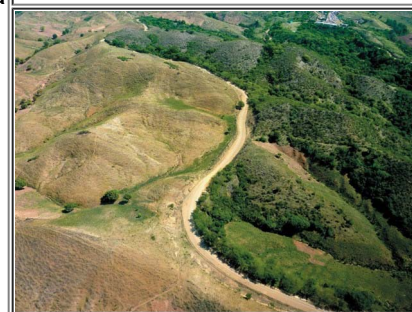

Severe, acute malnutrition

Agroforestry

Clean water

Border: Haiti on left, Dominican Republic on right. Trees become charcoal in Haiti as its main cooking fuel. DR forbids charcoal and subsidizes imports of propane for cooking.

systems for 36 new families a year.

- Haiti is an environmental disaster. We fund agroforestry projects to rebuild the soil and forests and to increase food production. Independent studies show we can reduce poverty by 50% with agroforestry projects.

Why Haiti? Our e-Club of Engagement encourages each member to serve in areas they know best. Haiti is something we know, and Haiti resonates with our members. I started working in Haiti in the 1970s, and was kidnapped while working on a Rotary water project in 2006. I've seen all the turmoil over these 45 years, but I have never seen Haiti so helpless. Ruled by gangs, with indiscriminate slaughter and senseless savagery, solutions are hard to find. But Service Above Self demands that we give it our best shot. Similarly, Merna Gill, our treasurer, has years of experience in Cuba. We plan to implement the same type of engagement project there. We have a lot of energy and can do the work, but we need support from other Rotary clubs and Rotarians to make it happen. This could be an excellent way for your club to engage in international service. Our club is engaged and growing. Formed 20 months ago by Clay Langley of the Sand Springs club, we have 21 members from four states -- average age 41.5. We have 11 new member applications -- including one each from Cuba and Haiti. We documented 2,205 service hours in our first Rotary year and have over 2,500 hours documented for the first nine months of this year.

Rotary has a long and worthy history in Haiti, but these are desperate times. It is not a time to pull back.

We ask other clubs and individual Rotarians to work with us on this campaign. Pick a project where your heart is. We'll make it grow. This is our way of helping you help others -- responsibly.

The 21st Wheelchair Project in Mexico

The "Wheelchair Project" was started by Noel Morris of the Springdale Rotary Club, and this was the 21st trip delivering wheelchairs. Some 29 District 6110 Rotarians and friends have just returned from Oaxaca, Mexico after delivering the gift of mobility to 50 people at the [Children's Rehabilitation Institute TeletonUSA \(CRIT\)](#) Oaxaca location, and 7 more wheelchairs were delivered to people at their homes. One of the homes was a communal living situation without running water.

The Oaxaca area Rotary District Governor and five Club Presidents from Oaxaca helped distribute chairs and joined our team for dinner one night. Thor Davidson, the current DG in the Illinois District surrounding the RI headquarters in Evanston, also attended. He began his Rotary journey at the Springdale Rotary Club when Noel invited him to join and wanted to see how the program had grown. This is the 21st trip for Noel Morris, 9th for Jill Arbuthnot, 8th for a few others. Often Rotarians bring their children or grandchildren along to "get a taste" of service in the real world. The trip is open to any District Rotarian, and if interested in the 2026 trip they should contact Noel.

Several clubs sent members and also purchased wheelchairs. These included the following clubs:

- Rotary Club of Springdale

- Will Rogers (Tulsa) Rotary
- Bartlesville Daybreak Rotary
- Fayetteville Rotary
- Altus Area Sunset
- Rogers Downtown Rotary
- Sapulpa Rotary Club
- Rotary Club of Tulsa

Oaxaca is very remote and some of the recipients traveled 6 to 9 hours to attend and receive their chairs! Many of the recipients gave hand-made hearts or food items as thank-you gifts to the Rotarians. The people of Oaxaca were unfailingly friendly and helpful and the weather was beautiful! The project partners with the [American Wheelchair Mission](#), led by Chris Lewis, the son of the late comedian/actor Jerry Lewis. Chris will be speaking at our District Conference in Rogers, AR this May 3rd.

[Click HERE](#) for an excellent video of a prior 6110 wheelchair trip. That's "Jefe Noel" leading the procession in the first scene!

A family who will no longer need to carry their daughter, with DGN Laura Garrett and PDG Pam Crawford.

Charlie and Chaddie Platt flank the new wheel recipient

Wheelchairs: How the Rotary Action Plan Fits

By Pamela Alaine Crawford

Wheelchairs

Started by Noel Morris and the Rotary Club of Springdale, it has become a District

tradition.

\$150 will buy a wheelchair – that is the **Input**.

The **Output** is that a child (or an adult) receives a chair...the ultimate act of inclusion and impacting the lives of at least 10 more people.

The **Outcome** is an easier life for the child and the family. The outcome is that a child can more easily get to school and rehabilitation.

The **Impact** is a much more fully lived life!

The early spring wheelchair mission trip is the Action Plan... in action:

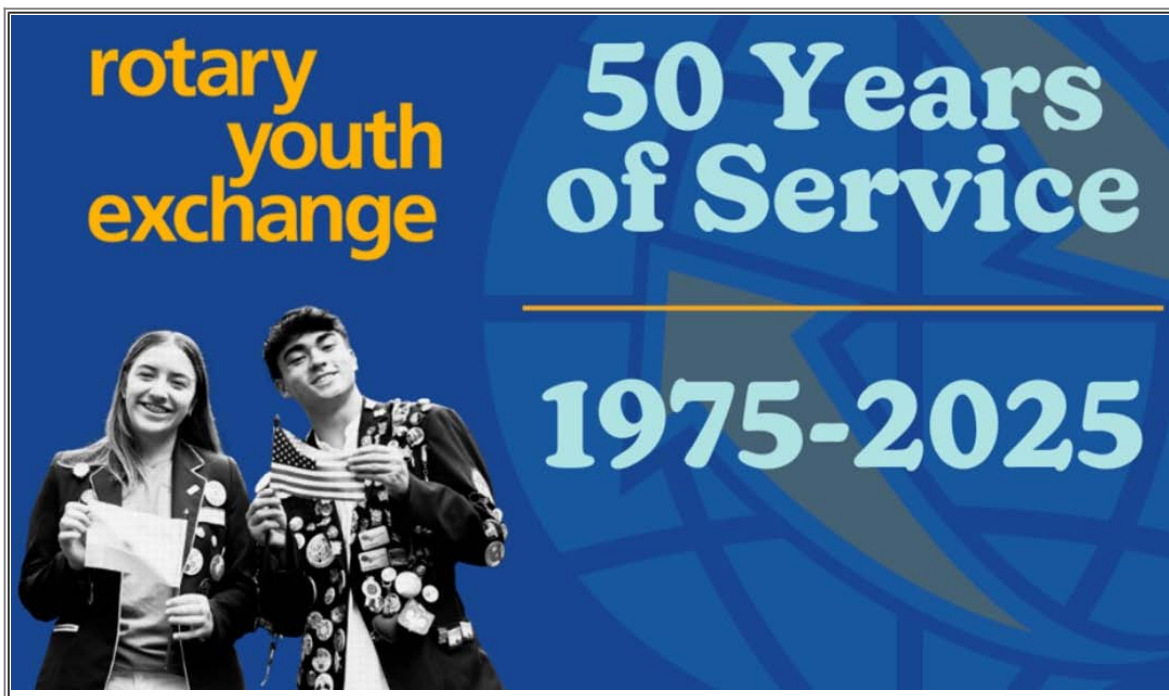

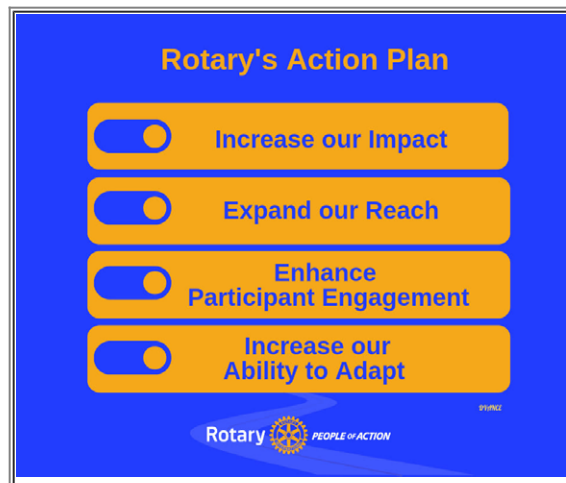

It has **impact** on multiple people.

It **expands** our reach to those in need of chairs.

It **enhances** the Rotarians who participate; we enjoy growing our relationships with each other over meals, bus rides, and some tourist activity on Sunday.

It is an engaging way to show the world that Rotary is **adapting** and making a difference; many participants bring family or friends to participate.

It is the Action Plan!

Club Hub - March 2025

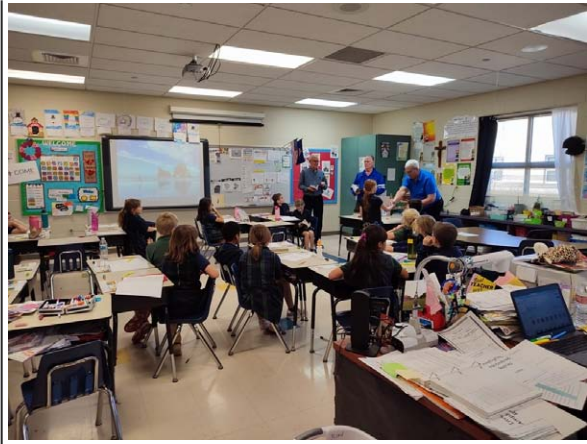

"The Club Hub"

District 6110 Rotarians are *People of Action!*

The **Broken Arrow Rotary Club's** Annual "Crowing Rights" Trivia Challenge is a very competitive fundraiser! District 6110's **G-Line** was just one of 21 teams competing. They correctly answered 54 of 80 questions and were named "2025 Civic Club Champions". (L-R) iPDG Pam Crawford, PDG Cathy Webster, DG Warren Lovinger, DGND Tiffany Egdorf and DGE John Rains.

The **Pittsburg Rotary Club** distributed dictionaries recently. Here's what the Facebook post by [St Mary's Colgan Catholic Schools](#) said: "Today, our 3rd graders received their dictionaries from the local Rotary Club, and they couldn't have been more excited! A huge thank you to the Rotary Club for supporting our students' learning and growth."

Sad news reached the **Skiatook Rotary Club**: They had supported Roman (above), the stepfather of Anastasiia of Ukraine, who has spoken at the club. Over the past few years the club has provided over \$6,000 in disaster relief and military gear. Tragically, Roman has become a casualty in the conflict of defending his homeland.

The **Bella Vista Rotary Club** promoted their club at the Bella Vista Business Association event recently. President Kathleen McGuire with members Kelly Dostart, Michele Gann and Shayna Gibson (l-r) distributed their new brochure that Michelle had created at the Rotary **Brand Center**. Any Rotarian can make a spiffy brochure for their club there.

New member Eli Moran (left) and veteran member Robert Reaves were among the volunteers from the **Joplin Rotary Club** helping assemble snack packs for [Bright Futures](#). Food insecurity among students in the Joplin School District requires over 500 weekend food-packs.

The Aurora Rotary Club recently received a special "happy birthday" greeting from Suren Poruri, at the Global Grants office of RI, District 3150, in India: "Congratulations to your Rotary club! As of December 25th, 2024, your club has completed 99 years of community service in the Rotary International District 6110."

The **Henryetta Rotary Club** hosted 85 players from all over the country at their Disc Golf Tournament, on the 40 "hole" course at Nichols Park. Funds raised are up and support scholarships and park improvement among other projects.

The **Southside Tulsa Rotary Club** prepared dictionaries for distribution to 3rd graders. Club Secretary, Maria Abalos, wearing her Rotary gear, helped affix labels in a member's warehouse. The club members are now delivering the books to students in the area.

The **Fayetteville Rotary Club's**

The **Bixby Rotary Club** volunteers

Little Food Pantry officially launched in March. Members have donated pantry items over the past several weeks and will resupply the pantry each week.

worked on their multi-year wildflower project near the city lake. This spring and summer, the entire community will enjoy beautiful native flowers!

The **Claremore Rotary Club's** work day at RSU's Nature Preserve improved the area around the Rotary Pavilion. Nine members and two others helped, including Lissa Brown, wife of Ray Brown.

The **Claremore Reveille Rotary Club** provided funds to purchase math flash cards for all 3rd grade students at Claremont Elementary. *#Numeracy*

How do pies and pork tenderloins turn into shoes for orphans and polio vaccine? President George Knox of the **Nevada Rotary Club** conducted a spirited auction at their club meeting, netting \$150.

The **Fort Smith Rotary Club** recently honored two more Paul Harris Fellows. President Cindy Gilmer (left) presented them to David Hedges and Sara Floyd. Congratulations!

The **Jenks Rotary Club** honored President-Elect Peggy Mitchell with her Paul Harris Fellow +2 Pin, in addition to her Foundation Benefactor status. Congratulations!

The **Neosho Rotary Club** hosted a magic show fundraiser. Club member Steve Kenny (left) "helped" magician Brian Ledbetter find his \$20 in a Cracker Jack box! Funds raised were shared with the [Big Brothers/Big Sisters Club](#).

The **Neodesha Interact Club** delivered Valentine's cards, candy, and stuffed animals to 65 nursing home residents. Twenty Interactors raised \$300, decorated cards, and prepared them for delivery. This is the second year of their "hands-on" project.

The **Altus Area Sunset Rotary Club's** member and Past District Governor, A. C. Moncrief (center) was awarded the Lifetime Achievement Award from the Ozark Area Chamber of Commerce. Well deserved!

WHAT'S THIS ALL ABOUT? Is YOUR club doing service to its community? Is it telling its story? Are you "People of Action?" Let us know with "just the facts" to: Wally Bloss, District Public Image Chair: Wbloss@Gmail.com

buffet style continuously throughout the tournament!

**Friday Evening: "Plant a Tree"
Legacy Banquet Celebration**

Keynote speaker: Larry Lunsford
Rotary International Foundation Trustee!

Saturday: "Mid-America Magic"

- Evening Keynote Speaker: Chris Lewis -
American Wheelchair Mission
- "Synthetic Intelligence : Building the Organizational Mind"
Scott Klososky, Future Point of View
- "Outreach during times of Disaster"

Chad Yates - Convoy of Hope

- 2025 District Leadership Academy Graduation
- Youth Exchange Panel & District 2 District Chile Exchange (the Chileans will be with us!)
 - Four-Way Test Speech Contest
 - Special Speakers about Rotary International
- Rotary International Service Above Self Award!
- House of Friendship with some new vendors
 - And, of course, a hospitality suite on both Friday and Saturday evening!
 - And Much More!!

Looking forward to celebrating "Mid-America Magic" at District Conference 2025!

[Register Now](#)

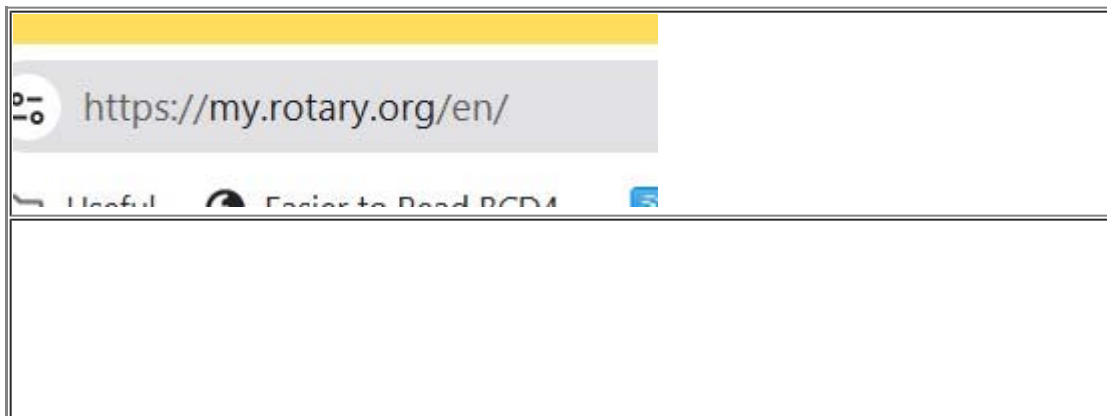

The My Rotary Website

Did you know there are really two Rotary International websites? [One](#) is for the general public to learn more about Rotary and is oriented towards letting the rest of the world know how we work to create lasting change in the world. [MyRotary](#) is for all our 1,400,000 members. Let's take a look at "[MyRotary](#)" as there is a lot of great info available there to members like you and me!

To do that, you will need to set up a "Rotary Account" to login: It's really easy, just follow the steps on the screen.

Once you are "in" to the members' website you can do so many things:

- [Rotary Club Central](#) has a whole bunch of info on your club where your leaders can set club goals and track them, view trends, connect to membership leads, find tools for club improvement - there is a LOT of GREAT stuff there!
- [Service Projects Center](#) where you can find international projects to get connected to - or local projects to help out!
- There's also a comprehensive section on [Membership and Foundation](#) reports where you can track your Foundation giving, member info and more.
- The [Learning Center](#) has scads of short video courses on every aspect of Rotary. Went to learn more - this is the place for that!
- The [Brand Center](#) is where you can download the correct Rotary marks, TV ads, Radio PSAs and even design your club logo that meets Rotary Branding Guidelines.

<p>Rotary Club Central »</p> <p>Set club goals and track how you're doing. Monitor your progress with detailed reports.</p>	<p>Grant Center »</p> <p>Launch and manage all your Rotary Foundation grants in one place.</p>	<p>Membership and Foundation Reports »</p> <p>Find reports with data about membership, contributions, recognition, and more.</p>
<p>Brand Center »</p> <p>Find logos, photos, videos, and all the resources you need to promote Rotary in your community.</p>	<p>Learning Center »</p> <p>Learn new skills with online classes and materials created for your specific role or interests.</p>	<p>Service Project Center »</p> <p>Browse successful club projects from around the world.</p>

WHAT'S THIS ALL ABOUT: The Box Score in this Newsletter shows that less than half of 6110 Rotarians have a "My Rotary" account. It is definitely worth your time to get one (free!) and see what is there for you to expand your Rotary experience!
