

Bentonville/Bella Vista Daybreak Rotary Club Presents DSG to Bella Vista Library for Library2Go

Harris McKee (Assistant Governor District 6110 Rotary international), Bill Powell (President: Bentonville Bella Vista Daybreak Rotary) and Joni Stine (Bella Vista Library Director)

Thursday December 8, 2011 attended the morning meeting of Bentonville Bella Vista Daybreak Rotary to receive a Rotary District 6110 Simplified Grant of \$3,000 to fund the "Library2Go" program. This enables library patrons to download eBooks and audiobooks via the internet and read them on their computers or e-book readers (Kindle, Nook™, iPad®, etc.) The library's participation in the Arkansas Library2Go consortium greatly increases the number of titles available.

The Bella Vista Library is unique in this area as it gives a class, open to the public, once each month to teach individuals how to utilize the program and download books via the internet to various readers. It is a welcomed addition to the library and the number utilizing it is growing rapidly.

Rotarians from the local club and a four State District have pooled their donations to make such grants possible.
