

Recently, Larry and Brenda Nelson, both Rotarians in the club of Mountain Home, received their Level Three "Major Donor" pins. In January 2011, the Nelsons offered a matching-point challenge to other members of their club.

For those who would like to become Paul Harris Fellows by donating \$500 to the Rotary Foundation over the course of the next 5 years, the Nelsons would match their gifts with 500 of their own points. 26 members have accepted the challenge as of April 1 - and 4 members have already paid their \$500 and have received their PHF pins! Several are using the matching points to add to their personal giving levels or to make someone else a PHF.

The goal of the entire challenge is to encourage Rotarians to get in the habit of making annual gifts to TRF.
