Scholarship Award

Pictured here are Rotarians Sandy Moore and Melissa Owen presenting a check for \$1500.00 to Lindell Fields of Tri-County Tech School. The money is to go towards adult vocational training scholarships for citizens of Nowata County. This is an ongoing program of the club aimed at benefitting local residents.

Interact Club

Guests at recent meeting of the Nowata Rotary Club were the leadership team of the newly formed Interact Club at Nowata High School. We are excited to see these young people taking on the challenges of civic involvement. At center is Steve Lovick - District 6110 Interact Chairman. In the photo are Interactors Samie Ketcham, Hayeden Alspach, Caitlyn Boultinghouse, Natalie Price, and Dee Dee Hewitt - sponsor. The Interact Club currently has 25 members.

Paul Harris Letter

One of the prize possessions of the Nowata Rotary Club is this letter from Rotary founder Paul Harris. Received in 1944, this was a response to a letter written to Harris from the Club.

Dear friends:

This is to thank you for your kind letter of the 7th Inst. I wish that I might feel that I deserve your tribute but alas, I do not.

Rotary has indeed given many men opportunity to fellowship happily, and with good purpose, together but had there not been such stores of kindness in the hearts of men, all would have come to naught.

With kind regards and best wishes,

Sincerely
Paul

Chili Cook-Off

The Nowata Rotary Club held its first of many Chili Cookoff's on Halloween afternoon of 2010. This fundraiser started small, with about 12 entries, but was well attended and supported by donors. It is expected to grow considerably in the coming years. The evening was enhanced by the presence of Governor Williams and his lovely wife, as well as Governors Rep Richard Sewell and wife.
