

Neosho Supports Geo. Washington Carver Day

George Washington Carver Day was held at the George Washington Carver National Park at Diamond Missouri on Saturday, July 10th, 2010. Neosho Rotary was asked to help sponsor the food concession and to volunteer to work the concession stand.

This is an annual celebration at the monument. This was the 67th year. There was music, guest speakers, and local historians on hand to showcase the history of the park. The park rangers were available to answer questions and be of help.

The picture is one shift of our Rotary workers, l to r : Alan Williams, Lindell Hughes, Earl Reynolds, Mel Link, Tim Hansen and Bill Carlsten.

Neosho Buys Smart Board for Neosho Schools

The Neosho Rotary Club donated \$2500.00 to the Neosho R-5 School Foundation to purchase a Smart Board for one of the classrooms.

Smart Boards are a computerized teaching tool that enables teachers to have a wealth of information at their fingertips. The information is transferred from a computer to projection system and then to a white screen or board.

The Neosho R-5 Foundation premise is to promote all things educationally connected. This foundation is trying to get a Smart Board in each and every classroom. This is a challenge to other Civic groups or clubs to do the same.
