From the Governor

People of Action know that achieving any vision, big or small, requires a plan.

Rotary pioneered a model of service leadership more than a century ago based on person-to-person connections. That model is just as powerful today as ever. Except now, those individual connections span the globe. Today's Rotary doesn't just reach out to act on communities' needs close to home; we transcend borders, generations, languages, cultures, and historic differences to create hope for a better world.

When we imagined where Rotary is going in the next 100 years, we developed a plan built on four priorities: **increasing our impact, expanding our reach, enhancing participant engagement, and increasing our ability to adapt**--otherwise known as Rotary's Action Plan.

As we work together to build a stronger world, Rotary's Action Plan "our strategic plan" is leading our organization to form more meaningful connections and make a more sustainable difference through service. Using the plan's four priorities as a guide, we're fulfilling the vision of Rotary International and The Rotary Foundation: creating healthy clubs, providing engaging experiences for all, and uniting people to take action with us to create lasting change. Stronger clubs make stronger communities.

Part of this process involves planning. Your club should be planning now for future years of success. Review your by-Laws to make sure they represent your current practices. Start talking about succession planning. Who is next in line? Do you have a President-Elect (2025-26)? President-Nominee (2026-27)? These two individuals should plan to attend MidAmerica PETS (Presidents-Elect Training Seminar) March 20-22, 2025 in Ft. Smith, AR.

The District will undergo the same planning. We'll soon be looking for the newest addition to the "G-Line", the *District Governor-Nominee Designate* to be selected in December to serve in 2027-28. You can find the nomination papers on DACdb including criteria and official forms. If you need help with the process, please reach out to Mark Brasfield, your District Administrator, your Assistant Governor, or to me.

WORLD POLIO DAY 24 OCTOBER

What is World Polio Day?

WPD provides an opportunity for us to highlight Rotary's global efforts toward a polio-free world and honor the tireless contributions of those on the frontlines in the fight to eradicate polio from every corner of the globe.

What do we do on World Polio Day?

- Hold an event to educate your community on what polio is and how we are working to eradicate the disease. [Register](#) your World Polio Day Action/Event so Rotary International is aware of your club's efforts.
- Pitch a story about WPD and your Rotary club's contributions to polio eradication to your local newspaper. [Sample press releases](#) are available.
- Share the sample [social media posts](#) from the [World Polio Day Resource page](#) on your social media pages.
- Make a special contribution to Polio Plus online. ****Don't forget! Your contribution is matched 2:1 by the Gates Foundation!****

Join the PolioPlus Society

The PolioPlus Society is made up of committed Rotarians who've pledged to donate at least \$100 per year to PolioPlus. To join, [email Sydney Gilbert](#) with your intent. You'll receive a certificate, pin and End Polio Now bracelet. Then make your contribution to PolioPlus (mail a check to The Rotary Foundation or [give online](#)). If you give online, you can make it an annual gift to insure your pledge is received each year.
