Monthly Humilities-Sean Linnan and Scott Bader-The first meeting each month focuses on Rotarian activities and fines are assessed.

Bryan Mazur along with Hayley Moynihan (Sunshine House) and Carl Waterstreet (Door County Sheriffs Department) provided an overview of the Leadership Door County Class of 2025 project.

Most people have some level of sensory process disorder that affects how they respond to various issues. The clientele at Sunshine House often have exaggerated responses to situations. This year's project is to design and construct a "Zen Den" or sensory room to create a quiet place for responses. To help with fundraising, the Door County Sandbox is sponsoring Atomic Bingo Monday March 10th.

- Annual Highway cleanup-Saturday May 3rd
- Working with Sturgeon Bay on a potential project to upgrade the NE corner of the Little Lake property.
- Potential projects with "Wildones"-an environmental group interested in returning to native plants at Franky Park and Wildwood Wildlife Preserve across from Sawyer School.
- Crossroads has Knowles-Nelson Grant to purchase 17 acres across from Crossroads. Additional funding is needed to support permitting etc. The Environmental Committee presented a \$1000 check to support the project.

2025 Sturgeon Bay Shipyard Tour-Planning is underway for the 32nd annual event from Friday, June 20 through Sunday, June 22. Tickets will remain at \$75.

The transition from Bay Ship walking tours to waterside boat cruises around the Sturgeon Bay harbor was so successful in 2024, an updated venue with Shoreline Boat Tours Inc. is planned this year. The narrated 90-minute cruises will be conducted 4 times per day and cover over 10 historical maritime sites. The theme "Sturgeon Bay Working Waterfront" includes a slide program.

The Shipyard Committee, Paula Englebert, Tom Reynolds, Erin Helgeson, Amy Kohnle, Ben Fletcher and Keith Mutchler are responsible for the marketing, ticket sales and Rotary volunteers for the event.

This is one of Rotary's major fundraising events and will be publicly announced later in March with ticket sales beginning early April.

Rotary President Elect Training Session (PETS) was attended by Michelle Lawrie, President-Elect and Jeremy Paszcak, President Nominee. A variety of ideas were picked up at the training.

They brought back "Challenger Coins" shared with the membership. There are some left, so ask about acquiring them at the next meeting.
