Club Provided Meal At Freedom House

Monday, March 10, 2025

On February 13th some wonderful members prepared and served a meal at [Freedom House](#) for about 60 people. Our members had a good time volunteering together and serving the residents (both adults and children). 20 lbs of chicken, 20 lbs of beef, many trays of mac and cheese, Pat's famous jugglers, and fruit were prepared and served. We hope to do this again in May. Dates are being coordinated. [Read More](#)

The Bay Port Interact Club is Busy

The Interact club at Bay Port High School (sponsored by Packerland Sunrise Rotary Club) has been busy creating blankets for [Project Linus](#), answering phones at the Telethon for the [Brain Center of Green Bay](#) and preparing a basket for the auction at the [Taste of the Villages](#) for the [Giving Tree](#). We're very proud of what these high school students can get done with their busy schedules.

We're so thankful to have a great teacher, Melanie, working with the club in the school and to our own Pat Salo for all the work.

If you don't know what Interact is you can learn about it [here](#).

Club Scholarship Applications

The committee for our annual scholarship for a Bayport seniors is accepting applications. Applications are due by April 14th. Kourtney is working to get this communicated at the high school. We love to present this at our largest 'fundraiser', Puttin for A Purpose in August.

Storybook Trail

A Storybook Trail is a fun, educational activity that places the pages from a children's story along a trail in a community. It is for children to enjoy the outdoors and read a book with their family and friends. A Storybook Trail helps build children's interest in reading while encouraging healthy outdoor physical fitness.

Some dedicated and excited club members have been very busy on an exciting new project we hope to announce formally in the next few weeks. Great ideas have been researched, the trail laid out, money raised, and equipment designed. Village approval is one of the last hurdles.

Rotary: Who We Are

ROTARY

We are leaders

We pursue World Peace

We prevent Disease & create Safe Water

We improve Children's Health & Development

We provide Education & Literacy

We build Local & Global Communities

We are Rotarians... We change the world!

~David Yeghiaian

District Governor (2013-2014)

District 6220
