## Recap of February 11th and Updates

By David L Pruneau

President Cindy greeted fellow club members to the annual Valentine's Party.

Cindy announced that the ongoing District Peace Committee would be holding a series of internet presentations. The first will be held on March 28. More information will be coming.

Due to an oversight, two recent club inductions did not receive their Rotary pins. Therefore, "retro inductions" were held for Nancy Johnson and Don Wylin. Both received their new pins from the club.

The rest of the meeting was turned over to Mary Beth Regnier for fun, games and prizes. "Guess That Tune" began the festivities with a variety of winners, followed by the best dressed Valentine's pajama member. Carole Bullion-Mincy won with Mark Newton being the other finalist. This was followed by member's romantic tales.

### Melanie's Joke Corner

A record five Valentine's jokes were shared by Melanie;

- Never kiss a bank clerk. She's a teller!
- What's Cupid's favorite band? KISS.
- What did one cat say to another on Valentine's Day? Your Purrfic!
- What Valentine's message can you find in a honeycomb? BEE Mine.

- What do you call a colorful heart that reads books? Well Red.
