**Tina Mahern, Communications Coordinator
Indiana Wildlife Federation**

Tina, a former board member for IWF, is now part of the team to make the public aware of IWF’s mission through social media and communication strategies. She is passionate about preserving public lands and the wildlife that depends on them. She brings experience in non-profit fundraising, volunteer management, and public interaction.

Born in France, Tina grew up as an Air Force dependent and traveled during her youth throughout continental Europe and the US. She learned how to hunt, fish, identify and track animals, ride horses and inherited her love of wildlife from her outdoorsman father. Tina loves hiking with her two standard dachshunds and passing her love of the outdoors on to her grandsons. She is an avid gardener, cook, painter, builder and an entrepreneur.

Indiana Wildlife Federation's Mission

Promoting the conservation, sound management, and sustainable use of Indiana’s wildlife and wildlife habitat through education, advocacy, and action.

Since 1938, the Indiana Wildlife Federation (IWF) has played an important role in conserving Indiana’s natural resources. Our organization is a nonprofit, grass-roots affiliate of the [National Wildlife Federation](#). Working on behalf of Indiana’s hunters, anglers, gardeners, conservationists, and outdoor enthusiasts, we advocate for commonsense conservation practices that will protect the future of wildlife and wildlife habitats in our state.

With this mission in mind, we have developed a strategic plan centered around education, advocacy, and action.

Educate Hoosiers on conservation issues. The IWF promotes the wise use of our renewable resources through educational programs like our [Certified Sustainable Trails](#) and [Certified Wildlife Habitat](#) programs.

Advocate on behalf of Indiana’s outdoor heritage. The [Indiana General Assembly](#) passes laws that can have a profound effect on our natural resources, wildlife, and outdoor recreation activities. We advocate on the behalf of Hoosier wildlife, educating and informing government officials about the impact of their legislation.

Take action to protect wildlife and wildlife habitats. We work with [state agencies](#) and other organizations to monitor Indiana’s wildlife and habitats, including Hoosier lakes and rivers, air, and soil.

FISHERS ROTARY IMPACT CLUB

Next Meeting: 2/5/25 6-7:15pm at the Delaware Township building

Hope everyone had a good holiday and start to the New Year! Last year we decided that we would focus on Food Insecurity for the first quarter of the year. Food pantries really need to restock at the beginning of the year. Beth Myers at Delaware Township Food Pantry has offered to give our club an update on what's new with the food pantry and a tour. We will be meeting at the Delaware Township building: 9094 E 131st St, Fishers, IN 46038 from 6:00-7:15pm on Wednesday, February 5th. We will also be collecting food to donate. As always, please bring family and friends to learn about this important need in our community. Together we can make an impact!

What is IMPACT Club?

Time is a precious resource. We are all becoming experts at multitasking, being more productive, and trying to do it all. While we run the race of daily life, we find that something is missing. We can identify that missing piece as an unfulfilled need to serve our communities.

Everyone has this need. We all know about the wonderful non-profit agencies and service clubs in our own communities. They are well organized, with members attending regular meetings and social hours. Unfortunately, not everyone has time to attend these worthwhile events. They do, however, have time to serve.

IMPACT was formed to meet the needs of individuals who recognize their personal drive to serve but cannot commit to regular meetings. IMPACT started as a companion club (officially called a "satellite") recognizing the need for an organized structure and an opportunity to quickly perform service between individuals' busy schedules.
