## Meet the new President of our University of Tampa

Teresa Abi-Nader Dahlberg is the 11th president of the University of Tampa. Dahlberg looks to build upon UTampa's already remarkable record of success by strengthening success and diversity measures for students and faculty, increasing UTampa's institutional reputation and bolstering its financial sustainability.

Dr. Dahlberg came to UTampa from Texas Christian University where she served as provost and vice chancellor for academic affairs. In addition to being TCU's chief academic officer, Dahlberg was also a professor of both computer science and engineering with over 20 years of experience in higher education. Prior to joining TCU in 2019, Dahlberg served as dean of the College of Engineering and Computer Science at Syracuse University. Dahlberg began her professional career with the IBM Corporation in North Carolina. She has a bachelor's degree from the University of Pittsburgh and earned both a master's degree and a Ph.D. from North Carolina State University, where she is a member of the Alumni Hall of Fame.

## Autopay for Rotary Dues is here!

We are happy to share that auto payment for club dues and other billings is finally here!. Our hope is that this will make life easier for our members and ensure even more timely payment of club dues, which are critical to our operations.

This is something that you set up on your own in Dacdb. [Click here for a step-by-step guide on how to make it happen.](#)

These payments should be scheduled either quarterly or monthly sometime between the 10th and 25th of the month, beginning April 10 - or sooner if you currently owe a balance on your account. You can choose to pay the full balance on your account, OR spread those payments out over the quarter. This allows members to pay dues in the way that best suits individual budgets.

If nothing is due on your account when the autopay is scheduled, then nothing is charged.

Brooke is available to help if you have questions or face any challenges. Thanks to all!

A big thanks to Asif Hakeem & Rhiannon Brownell for hosting a very festive Thursday evening at Bahama Breeze on Rocky Point. It was the perfect place to gather in fellowship and to make some new friends!

Our social events are the perfect way to deepen our bonds of friendship, have some midweek fun, AND introduce someone new to Rotary! Our social committee is planning countless ways to explore our city and to have fun together.
