## This week - March 18 = Spring Break & No luncheon

That's right, Rotarians! Every March, we skip a meeting for what is the local school spring break week. **There is NO club luncheon on March 18**, so don't show up at Ferguson Law Center. **We will gather again on March 25** for a very exciting dive into Shark Week with local expert Dr. Dan Huber. See you then!

## RSVP for our Meacham Farm offside luncheon on April 1

**Tuesday, April 1 at noon** is field trip time! Meacham Urban Farm has transformed a vacant 2-acre downtown lot into a productive greenspace. The farm is integrated into the Encore redevelopment project - it is a hidden gem!

Today, this thriving agricultural venture is dedicated to sustainable farming practices and community growth. Since its inception, the farm has grown exponentially, offering a variety of local organic goods and hosting enriching events that connect individuals with the source of their food.

Preregistration is **REQUIRED** by all members and guests to take advantage of this special opportunity to have lunch at the farm, meet the owners, and take a tour. **Please register with [this link by Friday, March 28](#)**. There is no charge for members, and guests pay \$25 to join us.

## Last chance for auto-pay for April dues - sign up now

We are happy to share that auto payment for club dues and other billings is finally here!. Our hope is that this will make life easier for our members and ensure even more timely payment of club dues, which are critical to our operations.

This is something that you set up on your own in Dacdb. [Click here for a step-by-step guide on how to make it happen.](#) Make sure you enable pop-ups first so you get the payment screen!

These payments should be scheduled either quarterly or monthly sometime between the 10th and 25th of the month, beginning April 10 - or sooner if you currently owe a balance on your account. You can

choose to pay the full balance on your account, OR spread those payments out over the quarter. This allows members to pay dues in the way that best suits individual budgets.

If nothing is due on your account when the autopay is scheduled, then nothing is charged.

Brooke is available to help if you have questions or face any challenges. Thanks to all!
