April is Rotary Environmental Month

Rotary International has designated certain months of the year as times for Rotary clubs to emphasize the involvement of all Rotarians in designated activities or to highlight specific Areas of Focus. Clubs are encouraged to plan special programs on the appropriate topics during these months. **April has been designated as Environmental Month.** In addition, April is a time to recognize the contributions made by *The Rotarian magazine*, 27 regional Rotary magazines, and, especially, our Club's monthly "award-winning" newsletter!
