## Seminole Lake Weekly Club Meeting

### ROOM CHANGE:

**WE WILL BE MEETING IN UP303 on the Seminole Campus**

*Speaker:*

**Dr. Pocola**

*Topic:*

St. Pete College Dental Program

Dr. Eduard Pocola

Topic: The UF Health St. Petersburg Dental Center offers a complete range of dental care.

*Description:*

The UF Health St. Petersburg Dental Center offers a complete range of dental care. Our dental residents are dentists who are completing an advanced education program in general dentistry. Residents provide care using state-of-the-art equipment and technology, with oversight from expert UF faculty.

Dr. Eduard Pocola earned his medical degree in 1999 from the University of Oradea in Romania and then went on to earn his dental degree there in 2005. He completed a forensic medical examiner residency in 2004 and earned his master's degree in teaching in 2005 before going into private practice in Romania.

Dr. Pocola joined the University of Florida College of Dentistry in July 2021 as a Clinical Assistant Professor in the Department of Community Dentistry and Behavioral Sciences at the college's St. Petersburg Dental Center. Dr. Pocola now serves as the Director for the Advanced Education in General Dentistry program with didactic and clinical teaching responsibilities, as well as clinical oversight of the AEGD program and its residents.

Dr. Pocola is no stranger to the college as a graduate of UFCD's AEGD program at the Hialeah Dental Center, where he was chief resident in 2015. He brings a wealth of knowledge, many areas of expertise and experience to St. Petersburg.

Since graduating from UFCD with his Advanced Education Certificate, Dr. Pocola spent the last six years as a regional doctor mentor with Heartland Dental, a dental support organization that provides comprehensive support services to dentists to help grow and develop their businesses.

In his role as a Director, Dr. Pocola meets regularly with residents to help manage patient care, teach seminars, and review case presentations. He ensures students' clinical progress towards competency and graduation, including formulating and implementing clinical and didactic educational programs, while also meeting the needs of patients.

## Member Spotlight Dave Outlaw

Born Into a military family I was raised in a very unique circumstance that required we move to different parts of the world growing up . This had its downside but just as many upsides . Friends were never permanent but we had to learn to make new ones . It gave me a perspective of how we are different in each global community but in many ways the same . We all have circumstances we are all raised in , but they can be very different yet we all learn in them . We lived in Europe for 3 years Asia for 2 and then in various states in the south of the USA, Georgia , Florida and Texas were places we called home , and we learned that home was more a feeling than a place.

My career spanned over 40 years in high production person manufacturing based in Florida , but the company was a global and national leader and I traveled in this job to many states and other countries.

#### Outlaw Solutions & Concepts LLC

This started out as a part time business that I conducted on my vacations and free time on weekends it developed into a Full Service Org/ Eng/mfg consulting for the thermoplastic product development Industry in 2014.

Presently Substitute Teacher at Pinellas County schools and I am actively involved with teaching students 3d Modeling and Printing

My wife Lisa for 52 years and still counting and I produced 2 children Christopher and Amanda who with there spouse produced my 4 grown grandchildren that finally helped me under unconditional love .

## Adopt-a-mile

Seminole Lake Rotary Club participated in the monthly Adopt-a-mile cleaning up debris from the roadways of Seminole. This group braved the chilly morning to make our community cleaner and brighter.

♥ Giving Back, One Box at a Time! ♥

This morning, [Seminole Lake Rotary Club](#) is joining forces with the Florida Dream Center's Adopt-a-Block program to fight hunger in our community! Up early, packing food boxes to help stock mobile pantries that serve families in need.

A little time, a lot of heart, and a big impact—that's what service is all about.

## Foundation Spotlight

**THE MAGIC  
OF ROTARY**

## Foundation Spotlight

**PDG CHARLIE ROGERS, DRFC – 2022–2025**  
**[CHARLESROGERSPDG@AOL.COM](mailto:CHARLESROGERSPDG@AOL.COM) 407-810-3489**

**Rotary**  
District 6950

As we move into the final quarter of our Rotary year, let us continue to share "The Magic of Rotary" by supporting our many projects and programs, both locally and globally. 42 of our 49 Clubs (86%) have made a contribution to our Rotary Foundation so far this year, with \$158K going to Annual Giving; \$50K to Endowment Giving; \$52K to Polio Plus, and \$1K towards Grants - for a total of \$261K. Let's encourage our remaining Clubs to submit their contributions to RI for 100% participation in Annual Giving this year.

The first six months of our Rotary year have seen strong support for our Rotary Foundation. Remember that 91 cents of every dollar you donate goes directly to projects and programs, allowing our Foundation to receive a 4-Star rating (less than 2% achieve this) from Charity Navigator for the past 16 consecutive years!!

We still only have 21 of our 49 Clubs (43%) that have entered their Foundation goals into Rotary Club Central for this year. Clubs who fail to do so will not be awarded any District DDF match for their District or Global Grant requests. We want to encourage each of our Clubs, and their members, to continue their financial support of our Rotary Foundation by supporting our Annual, Endowment, and Polio Plus Funds. Please be aware that our District will match your gifts to our Annual Fund of \$200 - \$500, and will match your Polio Plus Funds of \$100-\$1,000, which will then be matched 2 to 1 by the Bill and Melinda Gates Foundation, as an extra incentive to receive your donations, both of which will be applied towards your Paul Harris Fellowship.

Our District Foundation Committee members are anxious for the opportunity to come and speak to your Club, and to share the great IMPACT our Foundation is having around the world. Thank you for your continued support of our Rotary Foundation as we all continue "Doing Good In The World". We welcome your continued support of our Rotary Foundation and hope to see you at our upcoming District Conference in May in order to celebrate all of your contributions!!

## Rotary Youth Exchange

In 2025, we mark 50 years of Rotary Youth Exchange as an official program of Rotary International. Over the past five decades, students have experienced new cultures, developed lasting friendships, and become global citizens.

If you've volunteered to support Rotary Youth Exchange in your club or our district, you've likely seen the tremendous effort it takes to facilitate the program. Providing a valuable, positive experience for students hosted abroad by Rotary members and nonmembers requires substantial time and effort from both the students and the volunteers.

What does that mean on a global scale? Well, on average, since 2018, it takes 25,000 volunteers to support 7,500 exchange students each year.

If you want to know more, contact Connie Lobel. Especially if you are interested in knowing more about host families. [clobel49@gmail.com](mailto:clobel49@gmail.com) 352-476-6905
