**President's Message**

Hello Oceansiders!

Dad joke of the day: Yesterday, I saw a man spill a bunch of Scrabble letters on the road. So, I asked him, "What's the word on the street?"

Try as I might to keep this Oceansider lighthearted, I cannot get myself in that headspace this week. It is with an incredibly heavy heart that I must share that Cathy Hagan passed away this week. As she struggled these past couple of years, she continued to participate as much as possible and throughout it all her dedication and spirit never waned. Personally, she was a mentor to me in many ways, a powerhouse in our PWOR informal happy hour group and then, somehow, convinced me to enter the pipeline for presidency. She was a cheerleader to so many of us in our club and rotary in general. She will be missed in so many ways I cannot count. Cathy personifies "service above self" and leaves a void that will be hard to fill.

**NEXT MEETING: April 1, 2025. (no, this is no April Fool's joke: there is really a meeting)**

Rebekah

This is a Saturday. We'll probably work the morning hours from 9 to 11 or 12.

### From the Editor's Desk

Good morning Oceansiders,

This has been a difficult week for our Oceanside Rotary family. It seems like so many of us have special, personal Cathy Hagan memories and stories. I didn't know a soul when I joined Rotary. I don't remember the moment I was introduced to Cathy or our first conversation; it seems like somehow she was just instantly my friend, and I felt I had known her for years. Through the countless community service projects, Oceanside social events,

and small happy hour sessions where many surprisingly great ideas were brainstormed, I always enjoyed Cathy's company and saw her as exemplifying what it means to live your life as a Rotarian. Her passing is a sharp reminder that we truly never know how much time we have and to make the most of every day we are granted.

Looking forward to seeing you all at our next meeting,

*Kim*
