January is behind us and Spring is around the corner. January was Pork Butt month and the fundraiser was a great success! We don't have final figures yet, but we raised a lot of money to help our community (and got fatter doing it). The Pork Butts are always popular and this sale was no exception. We sold 72 this time and people are already asking about next time!

We had our first service project of February at Tree Hill. Rotary Club of East Arlington, Beaches Rotaract, and Terry Parker Interact were all working hard together pulling weeds and spreading mulch getting things ready for the summer season. We really appreciated the enthusiastic turnout from everyone. Special thanks to the members of Terry Parker Interact who showed up in numbers and worked with great energy and wonderful attitudes.

Looking forward, make sure you've got March 8 marked on you calendars for the Timucuan fishing event held during Seven Creeks Fest. We will have a booth set up teaching kids to fish and give them a fishing pole.

## Club Events/Meetings
