Dr. Alistair Dove - Speaker - March 11th 2025

Dr. Dove comes to MOSH with more than 17 years of progressive experience at the Georgia Aquarium, where he has served as Vice President of Science & Education since 2020. His previous roles spanned multiple departments, including research, conservation, nutrition and development.

The Georgia Aquarium's prestige as a tourism destination that serves millions of guests each year reinforces Dr. Dove's experience as an exceptional asset for MOSH, both in its current location and as the Board prepares for a dynamic future at the Jacksonville Shipyards. Dr. Dove has firsthand experience managing complex, multi-million dollar budgets, helping develop engaging visitor experiences and building mission-driven, strategic partnerships.

Last Week at Rotary

Thanks to current Program co-Chairmen Michael Boylan and Jeff Weeks, great speakers continue at the Rotary Club of Mandarin every Tuesday morning. This past week, the club got great insights into the commercial real estate in South Jacksonville from Michael McDermott of Sleiman Enterprises.

Wheelchair Ramp Service Project - Saturday March 29th

By Louis Dunbar

Our next wheelchair ramp build will be on **Saturday, March 29th** starting at 8:30am. We are building the ramp for 91-year-old Mary James, who lives at 4836 Walcott Ave, Jacksonville, FL 32209. The ramp is at the rear of the house, and we have to demolish the existing ramp of a similar configuration. I will have a sign-up sheet at the next few meetings.

You can contact Louis Dunbar at (904) 222-1037.

Thanks!

Max's Corner March 11th

By Maxwell C. Zahn

You really gotta hand it to "short people" ...
Mainly because they can't reach it.
