## World Water Day - Rotary Foundation

Water is something we all need to survive, but billions of people live without safe drinking water. Rotary members are working tirelessly to change this.

Through [projects](#) that provide sustainable clean water, sanitation, and hygiene, we're helping communities thrive and build healthier futures. This life-changing work is made possible by generous supporters like you. Your gift to The Rotary Foundation fuels these efforts, providing resources for Rotary members to implement projects that transform societies.

This World Water Day, 22 March, you can make a difference. A [gift today](#) can help more people gain access to clean water and bring hope to communities around the globe. You can also enroll in [Rotary Direct](#), our Foundation's recurring giving program, to support this vital work throughout the year.

Let's work together to ensure that all people have safe, clean water.

Sincerely,  
The Rotary Foundation
