OCEWP Rotary Meeting 02272025

- Hafeez Ali led us in a prayer.

Civics Bowl 13 - 8th graders from Glenridge and Maitland Middle schools compete for who knows the most about civics, government, citizenship, civil rights & duties, and political science. This Rotary Club sponsored youth service project is in its 13th year.

PP Paul Furey introduced Glenridge and Maitland Middle School teams, consisting of 5 students each, including 1 alternate. There were student advisors/teachers from each school also on hand. School principals were also on hand. There were two judges from the Lou Frey Institute, who also wrote the questions for the competition. The Lou Frey Institute celebrates and educates civics in the USA.

PP Geri Evans was the Civics Bowl moderator. Geri led us in the pledge, and went over the rules and scoring for the Civics Bowl.

As usual, the competition was very impressive. Maitland was ahead at the half-way point. But Glenridge came from behind and won in the end. Winners received \$100 each, and 2nd place received \$50 each.
