Our speaker today is our own PP Bob Munn. Bob's program was a history of Will Rogers, as a tribute to PP Bob Kerston (deceased) who used to tell Will Rogers stories all the time. Will Rogers was born in Oklahoma in the Indian Territory. He was a cowboy, a writer, and a traveler. He attended military schools and worked in rodeos. As a young man, he traveled to South America and South Africa and performed western trickery cowboy stuff. He came back to the USA and worked in Vaudville, married Betty Blake and was a part of the Ziegfeld Follies. He moved to California and had four children. He wrote books about American life and politics. He appeared in 76 movies. He wrote a daily column which appeared in many newspapers. He had a weekly radio show on CBS. He was a humorist and made fun of big-name people. He was a champion of the little people. Will became best friends with Wily Post. Wily Post was the first man to fly around the world. Wily was a test pilot who invented the parachute and the pressurized air suit. Will Roger and Wily Post died together in a plane crash. Nice program by Bob Munn, and also a nice tribute to Bob Kerston.
