DISTRICT GOVERNOR'S NOTES

Dear Rotary District 7280 Family,

Welcome to the new Rotary Year! I am both honored and thrilled to greet you as your new District Governor. As we embark on this new Rotary year, I am filled with excitement for the opportunities that lie ahead and the impact we will create TOGETHER! YOU are our #1 asset, and our #1 champion. We can achieve nothing without you, and I hope you'll join me by continuing your efforts to do the incredible work in our communities.

This year's theme, "The Magic of Rotary," is a reminder of the incredible power we hold to bring about meaningful change in our communities and around the world. Rotary's magic lies in our commitment to service, our dedication to making a difference, and our ability to transform lives through our collective efforts.

I invite each of you to embrace this theme and join me in celebrating the magic we create through our projects, initiatives, and everyday interactions. Whether we are working on local service projects, supporting global initiatives, or simply sharing our passion for Rotary with others, each action we take contributes to the greater good.

Throughout this year, I encourage you to engage fully in Rotary's diverse opportunities. Participate in club activities, collaborate with fellow members, and explore new ways to serve. Together, we can achieve remarkable things and inspire others to join us in our mission. Together, let's GROW ROTARY by inviting others to join your efforts.

Let's make this Rotary year a memorable one, filled with joy, service, and the magic that comes from working together towards a common goal. I am excited to see the incredible achievements we will accomplish as we unite in our efforts to make a positive impact.

Thank you for your dedication and commitment to Rotary. Here's to a fantastic year ahead!

In Rotary Service,

Zachary Covington
District Governor

Letâ€™s spend the summer months EMPOWERING our clubs to become IRRESISTIBLE! What can you do to help bring awareness to the incredible members in your club, and the valuable service projects you are doing?

Itâ€™s time to REJUVENATE our membership experience! What is your club doing that is so fantastic that you just have to spread the word? Shout it from the proverbial mountain tops of social media, websites, print marketing, and the coming District Newsletters. Are there things in your club that can be better addressed or changed? Make it happen! Letâ€™s work together to stir things up a little bit.

If we do our best to CELEBRATE, EMPOWER, & REJUVENATE, then we will GROW ROTARY! Our membership is slowly deteriorating nationally, so letâ€™s come together as a District to show that Rotary in NWPA is on a mission to reverse this trend of membership decline.

Letâ€™s celebrate the Magic of Rotary, and make our clubs IRRESISTIBLE!
