FETROW
iPast President

Birthdays

George McGRADY Jr.
February 10th

Bulletin for 2-5-2025

We opened up the meeting with the pledge of allegiance, 4-way test, and Vic led the group in prayer.

Bed Update: 1 bed was delivered on Wednesday and 4 beds will be delivered on Thursday, February 6th which we believe will mark a single day bed delivery record! Bed count is 560. Thanks, Hank!

- The club would also appreciate another member to assist Hank in delivering the beds, learning the process, and making the beds for the children. Janell has shown interest in taking this on.

New Duty Roster: The new duty roster from March through June is out and is available on the last Newsletter.

[Click Here for New Duty Roster](#)

- No Alcohol! If you're really craving some of the Devil's Nectar, please do so in a cup that conceals its contents.
- Please bring a basket for the basket raffle if able
- George and Aliquippa Giant Eagle will provide food, water/pop, plates, etc. Mirko will pick it up and bring to event.
- We will have the big check at the event to write out the Children's Bed Program with pic of funds raised at event
- Dan will bring some Rotary signs to hang at event
- Mirko has 50/50 tickets and Poster Sheet for Super Bowl Squares. Thinking \$5 per square and Rotary to keep 25% (\$125).
 - Mirko will print out sheet for contact info pertaining to squares
- Chris will bring speaker and possibly microphone
- Mirko will bring a 4 count of paddles with balls. They may have paddles there as well. Feel free to bring your set if you have one.
- Dan will bring projector, projector screen, and computer to display bracket
- Mirko will bring a cooler. If someone else can bring a cooler too, we will put it to use.
- Mirko will pickup food from Giant Eagle for event
- Chris and Jackie will provide cornhole boards
- Mirko wrote a \$200 I.O.U for petty cash to use as change during event
- Janell, Dan, and Hank will not be playing and are able to help with registration, gambling, etc.

Flags for Heroes: Dan made flyer (see attached). Please look it over and give suggestions at next meeting.

Scholarships for 2025: We discussed student scholarships briefly. We will get into more details at next meetings.

Harry suggested highlighting some CCBC and students planning to attend other local schools at Student of the Month meetings. We will strategize the best way to go about this.

Baseball Team Sponsorship: We sponsored a little league baseball team for \$375. Our logo will be on the children's jerseys. Thanks to Grant for presenting this opportunity.

Oak Grove Cemetery: Grant highlighted the opportunity to preserve a marker for John McKee. Here is some info on his admirable life:

Emigrated to this, his adopted country, in the year A. D. 1765, was with the destroying of the tea at Boston and the Declaration of Independence. Served two tours in the Revolutionary War; took his share in the glorious struggle of gaining our independence.

Program: Alicia quizzed the group on some Rotary Trivia. We proved to be a group full of Rotary Knowledge!

50/50: Janell won the 50/50 with a 5. The pot is now over \$900!

I'm looking forward to seeing the group on Saturday and raising some money to keep our bed program churning along with this extraordinary demand!

Thanks,
Mirko Loncar

NEXT WEEKS DUTY ROSTER

Hank Kretchmar (Program), George McGrady (Newsletter), Carolyn Hoffman (Prayer).

Next week Hank will present a review on two books:

"Frostbite: How Refrigeration Changed Our Food, Our Planet, and Ourselves" by Nicola Twilley. This book explores the history and impact of refrigeration on food, society, and the environment.

"Nexus: A Brief History of Information Networks from the Stone Age to AI" by Yuval Noah Harari. This book explores how information networks have shaped human history and society.
