Let's contribute

CHILDREN'S BED PROGRAM

The Rotary Club of Beaver is committed to ensuring that every child without a bed in our community has one in which to sleep. Through our initiative, we serve families and children in Beaver County who are unable to provide this basic necessity for themselves. By giving children, a comfortable place to sleep, we support their health, well-being, and ability to face life's challenges with strength and resilience.

Through our partnership with AK Nahas, we can secure bed frames and mattresses at an excellent price. AK Nahas also helps with delivery. Our Rotarian members meet on-site to help set up the beds and provide all the necessary bedding—ensuring that no child in Beaver County must sleep without a bed. This service gives children a basic necessity of life—a good night's sleep—and equips them with a healthy body and mind to shoulder life's daily burdens.

Beaver Rotary has contributed over 563 beds since the program began. If you would like to contribute use the QR code at the top of this column.
