## ROTARY CLUB OF SHEPHERDSTOWN

Fourteen members and friends of the Shepherdstown Rotary Club turned out for the Club's 38th annual spring highway cleanup along Route 230 south of

Shepherdstown.

They retrieved 21 bags of trash. Much of the trash consisted of pieces of drywall and other construction materials scattered along the stretch of the road where the new Shepherdstown Elementary School is being built.

The photo above shows some of the members of the cleanup group. They are from left to right: Gary Heichel, Marcia Brand, Johanna Bohn, Mark Duvall, Teri Biebel, Steve Choi, Rick Caruso, and Walt Eifert. Not shown but also participating were Dave Miljour, Adam Thomas, Patrick Moriarty, Jim King, and Darlene and Brian Truman.

## ROTARY CLUB OF MARTINSBURG

The Rotary Club of Martinsburg hosted a joint Discover Rotary event at the Holiday Inn in Martinsburg WV. We had over 40 guests

and Rotarians in attendance. The photo let is DG Pam Wagoner introducing herself to the group and

then also a group photo below of the presentation.

The West Snyder/Beaver Springs Rotary Club recently brought smiles and excitement to local 3rd graders by furnishing dictionaries to students at West Snyder Elementary and Middleburg Elementary

Schools. These weren't just ordinary dictionaries, they represented a commitment to literacy, education, and empowering young minds. The students were overjoyed to receive these invaluable tools, and their enthusiasm was a testament to the importance of investing in education. Pictured above are PDG's Sharon and Howard Benner delivering dictionaries to the 3rd graders at Middleburg Elementary School. And below are Rotarians John Aucker, PE Pat Saylor

and Rotarian Deb Kline who delivered dictionaries to West Snyder Elementary School. A total of 167 dictionaries were handed out between the 7 classrooms in the two schools.

Rotarian John Rosenberger of the Emporium Rotary Club is shown presenting a \$3,000 check to Melissa Callahan, business manager of the Guy and Mary Felt Manor. The Club was approved and received a matching grant to

aid in the renovation costs. Each year the Club applies for a matching grant from the Rotary District for small-scale, short-term activities that addresses needs in their community and communities abroad. This can include requests for a humanitarian project, scholarships at any level, youth programs, or vocational trainings. Once awarded, the Club will then provide the match of the monies obtained to the applicant of request.

## JOHNSONBURG ROTARY CLUB

Johnsonburg Rotary Club invited fifth-generation farmer Amanda Balon to speak on all that her family farm offers to our area along with her unique equine therapy program. Accompanying her were her twelve-year-old son Logan who works on the farm as a sixth-generation

farmer, along with “Simba” one of the bottle-fed lambs he cares for daily.

Amanda gave a highly informative presentation on how local farmers form a network of resources to provide all the products their customers are looking for. For instance, Big Maple Family Farm (BMFF) does not raise bees or dairy/beef cattle so they get honey, milk, and beef from other local farms that do and in turn they provide lamb, chicken, and produce to those farms that need those particular items. The farms want to see one another survive and grow so like in any “family” they take care of each other.

“We are a direct farmer to consumer farm.” Amanda proudly states. There are several methods to get the Farm's products – they have an online order form, they offer a subscription service along with delivery, and they also have a store on the property. For information on the Big Maple Family Farm products or to order check out the website below. [www.bigmaplefarmnt.net](http://www.bigmaplefarmnt.net)

## LEWISBURG-SUNRISE ROTARY CLUB

The Sergeant-at-Arms in the Lewisburg-Sunrise Rotary Club is responsible for maintaining order and a smooth meeting flow, including handling

physical preparations, guiding the meeting's conduct, and assisting with errands for officers and club advisors. Sunrise Rotary's Sergeant-at-Arms

is Paul Donaker. Paul has been a member of the club and in this valued position since May 1991 when the club was formed. He is shown above with Swan Stull club president.

Every week at the end of the Rotary meeting, we are greeted with our Sergeant-at-Arms' warm smile and his creative “Happy Bucks” topics. Paul invites members to do donations of \$1 per topic on questions such as “what is your favorite spring flower” or “what was your first car,” or who is your favorite basketball team” etc. Questions have lots of options. Members can also dedicate \$1 to honor family and friends for accomplishments and more. The Happy Bucks collected each week are used by the club to support community programs and projects and other small things that the club needs to fund throughout the year.

Marian Anderson, pictured on the left, received her Paul Harris +3 for Service Above Self. She is pictured with Sue Jamison, who sponsored

Marian when she joined Lewisburg Sunrise Rotary.

**ROTARY CLUB OF HANCOCK**

**Hancock Rotary** was well represented at the **Hagerstown Rotary Club's** David Henneberger Bull & Oyster Roast on Sunday, February 23. We successfully raised funds by providing workers for the Black Jack table as well as selling pull tabs and chances on a basket filled

with products that were primarily from Maryland.

We sincerely thank the Hagerstown Rotary Club for “spreading the wealth” with us.

We've had several interesting programs for our members. Among them was we had Representatives from the TC Energy corporation gave a presentation regarding the 3.5 mile natural gas pipeline extending from Pennsylvania through Maryland into West Virginia. We learned how drilling is accomplished beneath large bodies of water and how the completed project is aiding the area's economy.

**ROTARY CLUB OF BERKELEY SPRINGS**

The **Berkeley Springs Rotary Club** donated \$2,500 to the United Way of the Eastern Panhandle's Unity Campaign for the **Martinsburg Sunrise Rotary Club's** Eastern Panhandle Reading Program. Coordinated by the **Martinsburg Sunrise Rotary Club** and financially supported by all the Rotary Clubs in the Eastern Panhandle, the Eastern Panhandle Reading Program encourages lifelong literacy and increased reading proficiency by providing a set of books to all second-grade students in Morgan, Berkeley, and Jefferson counties in West Virginia. Pictured, left to right, are

**Berkeley Springs Club** Member, Greg Schene; **Martinsburg Sunrise** Club Member and Eastern Panhandle Reading Program Chair, Alisha Puller; and **Berkeley Springs Club** President Allison Maconaughey.

Clark is pictured with Club President Fran Levenduski and Rotarian Jim Hackett.

**ROTARY CLUB OF DOWNTOWN LOCK HAVEN**

The **Rotary Club of Downtown Lock Haven**

does some of its best work, and has some of its best fun, when it

helps other organizations. The club held a collection recently for the local chapter of Sleep in Heavenly Peace which makes, delivers, and installs beds for kids who need one. Laura Orndorf, SHP chapter president, is seen with the club members' donations of sheet sets, blankets and mattress covers. The Downtown Rotarians also gave cash, and the club gave all the Happy Dollars collected from July to December 2024.

David Bacher, Administrator of Sun Area Technical Institute visited *Lewisburg-Sunrise Rotary* to share information about the schools' 19 programs. He talked about the opportunities that the school provides to its school districts to provide alternatives to students who are not college bound. By attending Sun Tech, students, usually seniors, attend classes in skilled labor fields such as welding, carpentry, masonry, automotive technology, collision repair, cosmetology, health professions, dental health, computer networking, electrical trades, and more. Pictured with Bacher is club president Swan Stull.

*Lewisburg-Sunrise Rotary* welcomed Bob Garrity from the Greater Susquehanna Valley Chamber of Commerce (GSVCC) to have an update on what's happening in our region. The Director of Donors for the Danville Ronald McDonald House, Renee Gerringer, spoke to the **Bloomsburg Rotary** about the nationwide program as well as the Danville House. Many families who have a child in a Pediatric program and live far from Danville are able to use the facilities: a comfortable day room in Geisinger Hospital, a stay in the McDonald House room with beds, access to a kitchen, playroom for kids and an outdoor playground. A very small donation is asked but no one is turned away for inability to contribute. Pictured from left are Gerringer and Rotary

Club President Tim Wagner.

The Hope Center of Nescopeck spoke to the **Bloomsburg Rotary** on their free program offering

clothing, medical supplies, household essentials and are developing a minor home repairs program for senior citizens. You can contact them at 570-520-4033. Pictured from left are Rotary President Elect Jack Devine and Hope Representative Elliot Maleski.

## GOOD NEWS FOR POLIO

Pedals out Polio is the one time each year we ask every Rotarian in our District to make a personal gift to PolioPlus! As of March 1, 2025 there have been 4 confirmed cases of polio in Pakistan and none in Afghanistan. The good news is that starting February 3, 2025 Pakistan has conducted several massive Sub-National Immunization Days targeting high risk areas. To make the final push toward eradication we need your help in raising \$50 million dollars to receive our 2 for 1 Gates Foundation challenge grant.

If you are a bicycle rider, all the information to donate and register for our Pedals Out Polio Event is on the next page. However, we know most of you are more than happy to pay not to ride a bike, especially if it helps eradicate polio. For all our non-peddling “virtual” bike riders please use the link below to make your online donation. By using the email address that is on record with Rotary you will get Paul Harris Fellowship credit for your donation.

# ROTARY DISTRICT 7360 PEDALS OUT POLIO

Saturday, June 7, 2025

The purpose of each ride is to raise funds and awareness for Rotary’s Global Polio Eradication Campaign. Each ride starts and finishes at Mifflinburg Community Park, 211 N. 5<sup>th</sup> St, Mifflinburg, PA.

**Family Ride:** Bike riders are encouraged to ride a part or all of the Mifflinburg – Lewisburg Rail Trail. This 9 mile off-road bike trail is suitable for children and adults that prefer a flat and leisurely bike ride. This ride will be self-paced and self-guided. Ride as far as you want and at the speed you want.

**Easy Road Ride:** 22 miles, easy pace and only 550’ of climbing.

**Jacks Mountain 50:** This 47-mile ride is for moderate to advanced road bike riders that enjoy changes in elevation. This is not a race! The 47 miles will be done at a moderate pace so that it is enjoyable for all experienced bike riders.

The suggested minimum donation per rider is \$25 for adults and \$5 for children under 12. All riders are encouraged to solicit addition donations toward their ride. The top fundraiser will receive a prize. All donations are tax deductible and should be payable to “The Rotary Foundation” with PolioPlus on the memo line. Any gift of \$1,000 or more will receive a special recognition from The Rotary Foundation.
