CPETS Service Project

Tuesday, March 4, 2025

President-Elect Mark has requested that members bring books for kiddos ages 2-6 to the meeting tomorrow. This is part of the CPETS Service Project. Picture books and books that parents can read to their children is the key here.

But what is CPETS? <https://www.chesapeakepets.org/history-of-chesapeake-pets/>

CPETS or Chesapeake Presidents Elect Training Seminar is the training required of all Presidents-Elect in our region. PEs (yes, Presidents Elect) from at least 4 Rotary districts will be in attendance this weekend in Chantilly, Virginia. They will be trained to perform their duties as President. Mark is an experienced Club President, but there are usually policy changes, new engagement ideas, and lots of MERCH. He will take the books with him to support the CPETS Service Project. Literacy is one of Rotary's seven causes. Let's join Mark and Chesapeake PETS in supporting literacy.

March Meals on Wheels

By Donna D. Street on Monday, March 3, 2025

It seems like March came in like a lion, but it is on the path to spring. I have the March MOW (Meals on Wheels) set up avoiding all the avoid dates for our team members.

Don't forget to spring forward to daylight saving time on Sunday.

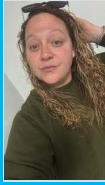

The MOW schedule for March:

March 6 Donald & Cynthia
13 Jan & Bill
20 Delolis & Donna
27 Carol & Katie

March Programs

Monday, March 3, 2025

We have excellent programs scheduled for our two hybrid meetings on March 5th and March 19th.

On the 5th, our speaker will be our member Tracy Patterson addressing issue in the world of energy generation and distribution. Tracy is the GM of the Hopewell Power Plant, a Dominion Energy subsidiary. I may have the names of the facilities turned around, but we will learn that and much more during his program. If you have friends, neighbors, family who are especially interested in this topic.

In this photo President Brian is presenting membership materials to Tracy on the left.

Our March 19th meeting will be an Ignite training program for our members. Elizabeth Kirby, Implementation, Training, and Marketing Coordinator, Member Minder Pro, LLC, will be joining us virtually to help us all learn more about Ignite, the incredible in-club communication app. The club pays annually for this app and is charged per club member. Only four of our members have not logged on to the Ignite app yet. Carol will be attempting to get those four on the straight and narrow before the 19th.

Rotary's Response to the USAID Stop Work Order

Wednesday, February 19, 2025

Past President, Cynthia, submitted Rotary's official position on the importance of the work of USAID and Rotary's collaboration with that organization.

Rotary has collaborated with the United States Agency for International Development (USAID) since 2009 on different types of programs. Our current programmatic efforts and communications with USAID personnel and leadership are on hold due to the stop-work order issued by USAID. Rotary International has already notified members whose projects are directly impacted by this order and is working to continue to support them in their impactful work.

We are navigating the implications of the recent stop-work order issued for Hearts of Europe projects that are part of a partnership with USAID. All projects that are currently in an implementation phase have been notified and given information about what actions need to be taken while the stop-work order is in effect. We are working directly with those projects that are not yet being implemented to determine alternative funding for their important work.

The Four Way Test

By Carol Dois Woodward on Monday, June 8, 2020

Rotary  **4 Way Test**
of the things we think, say, or do:

Is it the **TRUTH**?

Is it **FAIR** to all concerned?

Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?

Will it be **BENEFICIAL** to all concerned?
