SONG

YOU ARE MY SUNSHINE

You are my sunshine,

My only sunshine.

You make me happy

When skies are gray

You'll never know dear,

How much I love you.

Please, don't take

My sunshine away.

TODAY'S PROGRAM

Welcome a friend of the Club, Ron Sain, back to share information with us on the Life, Death, and Rebirth of the Magnificent American Chestnut Tree. The American chestnut tree is a large, fast-growing deciduous tree of the beech family native to eastern North America. American chestnut trees were once among the most majestic hardwood trees in the eastern deciduous forests, many reaching 80-120 feet in height and 8 feet in diameter. For our area, the American chestnut was used to make wonderful furniture. Join us as we learn more about the Magnificent American Chestnut Tree.
