It's Gala Time!

We are very excited for our sold-out Rotary Club of Raleigh 110th Anniversary Gala **this Saturday March 8, 2025**. Have you donated an item to the Gala Silent Auction? If not, we need those items in ASAP. This month's service project is to donate to the silent auction and will count as a make-up for a missed meeting. There is also still time to sponsor and donate to this event plus, a continued need for volunteers to help during the gala. See the next bulletin segments for more details.

Donate and Preview Silent Auction Items at this [LINK](#).

ROTARY - Gala Volunteers Needed. We Want You!

We are in great need of gala volunteers for three shifts: Set-up chairs and tables on the morning of March 8.

First shift: 9-11am.

Second shift 11am-1pm.

The third shift is tear-down 10-11pm.

Here is the sign-up link: <https://www.givsum.com/opportunities/the-rotary-club-of-raleigh-s-110th-anniversary-gala-0fb6c7331>

This Month's Service Project

This month, our club will focus on gathering donations for the 110th Gala's Silent Auction. All Raleigh Rotarians are asked to reach out to local businesses to solicit donations. A form was handed out at last week's meeting that can be filled out by donors for tax purposes. To receive a copy of the form please email John Cates at jcates@tranzon.com. Acquiring a donation for the Silent Auction will count as service project hours so please email Linda Monaghan so your

time can be recorded as a make-up.

Duke-UNC Peace Center - 22nd Annual Spring Conference

Registration for the 22nd Annual Duke-UNC Rotary Peace Center Spring Conference is now LIVE!

This year's theme is "Stories of Peace: Centering Community for Collective Transformation". Our graduating Class 22 Rotary Peace Fellows will present their research, exploring new ways of thinking about peacebuilding, international development, and conflict transformation.

The conference will take place at the FedEx Global Education Center at UNC-Chapel Hill on Saturday, April 5th, 2025 from 8:30am to 3:00pm. Doors will open at 8:00am, and attendees are encouraged to arrive early to check in and view an exhibition of research posters by Class 23 fellows, featuring work from the Peace Innovation Showcase at Duke University last December.

If you cannot join us in person, register to attend virtually. [REGISTER HERE](#)

Next Week's Speaker - Sarah Hall - Director of NC State University's Institute for Emerging Issues

Wear your green and be sure to join us for our St. Patrick's Day meeting! Our speaker will be Sarah Hall who is the Director of NCSU's Institute for Emerging Issues. Sarah will give a program titled "A Future Forward Infrastructure Plan for NC".

RCOR 7-Day Forecast

This week will include roller-coaster temperatures and a mid-week chance of severe weather. Today will be another chilly but clear day with high temperatures barely making it to 50F. There will be another chance of below-freezing temperatures again tonight with lows around 32F expected near sunrise on Tuesday. Tuesday and Wednesday will be warmer with high temperatures near 70F. Right now, it looks like a strong line of showers and storms will move through the area around midday Wednesday. High winds will be located near to the surface, so any shower and storm will be capable of damaging wind gusts. Stay aware of the weather throughout the day on Wednesday and plan any road travel around the storms.

Thursday and Friday look slightly below average for this time of year with high temps in the low to mid 50s and overnight lows in the mid-30s to low-40s. Saturday, our Rotary Gala Day, will be warm with temperatures in the upper 70s.
