<p>April 22, 2025</p>	<p style="text-align: center;">Meals of Love</p> <p>We're delivering lunch food on the 4th Tuesday of each month -- enough to feed about 15 visitors. Contact Anne Hewett if you have questions and for a copy of the meal guidelines.</p> <p>Kim Barnarr's testimonial - The process was as described in the guidelines, with the building being on a beautiful site and with employees dedicated to the work. Although snacks are always available to visitors in the kitchen, having a complete and nutritious lunch meal is immensely appreciated by them and gives them a small "break" from the health-related difficulties they're experiencing.</p> <p>We've created a volunteer sign-up sheet, using the Club's SignUp Genius account. To volunteer for this service on one or more of the monthly dates, please click the following link:</p> <p style="text-align: center;"><u>Volunteer Here</u></p> <p>As each lunch involves some food preparation as well as delivery to and set up in the LifeCare building we're asking for two volunteers each month, with volunteers communicating with each other on how to divide up the lunch tasks.</p>
	<p style="text-align: center;">District Assembly</p> <p>Calling all club officers—President, Secretary, Treasurer, Foundation Chair, and Membership Chair! This is your chance to gear up for a successful 2025-26 Rotary year at the District Assembly.</p> <p>Let's make the most of this opportunity to learn, connect, and prepare for the year ahead. Let's organize a carpool, to travel together and represent our club in full force!</p> <p style="text-align: center;">Cost is just \$10.00 to cover lunch!</p>
