Water, Sanitation & Hygiene

Clean water, sanitation, and hygiene education are necessities for a healthy environment and a productive life

When people have access to clean water and sanitation, waterborne diseases decrease, children stay healthier and attend school more regularly, and mothers can spend less time carrying water and more time helping their families.

How Rotary makes help happen

Through water, sanitation, and hygiene (WASH) programs, Rotary's people of action mobilize resources, form partnerships, and invest in infrastructure and training that yield long-term change.

St. Patrick's Day Parade

The Greenville St. Patrick's Day Parade & Festival is back on March 15, 2025, so let's get our green on and make the Greenville St. Patrick's Day Parade an event for Shades, Quacky, Club Members and their friends who would like to join us for the parade. We're working on some green, plaid, and other St. Patrick's Day regalia. If you have some, throw it on and come join us. Sign up on [DACdb](#).

PARADE: The parade starts lining up at 9am and processes at 10am from Main Street and Augusta Street. Club Members should meet up with Quacky and Shades by 9:30am in front of Fluor Field on the Main Street side. Just look for our two favorite ducks, Shades and Quacky. You can't miss Quacky!

FESTIVAL: Additionally, we will have a booth at the festival at NOMA Square from 11am to 5pm staffed by Rotarians and Duck Adoption Teams. Let Meg Coffey know if you can help in the NOMA Square booth.

- 11am-1pm - Foster Paws
- 1pm-3pm - STRIDES Tutoring
- 3pm-5pm - Mauldin Miracle League

Save the date, sign up on [DACdb](#), and be part of the festivities on Saturday, March 15, 2025. It will give us the type of exposure we need to get our ducks adopted as well as advertise the May 3rd Reedy River Duck Derby! Sign up now.

Another Tree Planting Success

At Richard "Dick" Ploof Fields in Greer, members representing Pickens, Greer, and Reedy River teamed up to plant trees adjacent to a soccer field. All went according to plan thanks to the excellent guidance of Trees Upstate. A gorgeous day and five more trees to beautify our region, add shade, and pump oxygen into the air.

Winding Up Sponsorships

The Club Member "master" of working a crowd is Laurie Rappl. To assist at the Home & Garden Show she wheeled around the convention center talking to various vendors looking for the the next Derby sponsor she'd bag.

At this point, we encourage you to reach out for **prize sponsors**, and don't hesitate to hit up a seasoned Club Member for advice and support. If you give it a shot - no matter how hard that is to do - you increase your chances of success.

How many cards with the Duck Derby QR code have you passed out? Cards are available at each meeting, and we value the time you take to distribute them. Be sure to talk about the chance to "Win a million dollars!" Wondering how this works? Here are the deets. About an hour before the race, we can push a button to generate 3 duck adoption numbers. Those numbers are concealed until the end of the race. If the first duck to finish the race bears one of those 3 numbers on their bottom-side, that is a million dollar duck! Be sure to talk that up, along with first prize of groceries for a year from Publix (good in any Publix market), \$2,500 cash as 2nd prize, a golf weekend for two from Embassy Suites, along with many additional prizes in the form of gift cards, baskets, and so much more.

Adoption papers and posters have arrived, and they are typically available at meetings or through Eric Krichbaum. Let's get these out in the community, and we would love every Club Member to help get these items distributed.

Sponsorships, including new and repeating sponsors, continue to come in, and you are encouraged to move any work you have started for potential cash sponsorships to completion. The other parts of sponsorship are the in-kind (Bonitz flooring that accepts the delivery of the ducks we've rented and gives up the warehouse space for the stripping and tagging party) and prizes such gift certificate to a local restaurant. The prizes given in past years have been wonderful, and we are especially appreciative of the gift card type of prize sponsorships. What businesses do you have relationships with that might be willing to donate a gift card to their establishment? Again, if you

don't ask, nothing happens. That first ask can be a challenge. Push through the challenge to increase Duck Derby proceeds enabling our Club to bless our community even more.

Any questions about sponsorship should be directed to Ann Golden. For prizes, contact Laurie Rappl.

Newsletter Editor Needed

In Rotary year 2025-2026 that begins July 1, 2025, we are seeking a newsletter editor to put together ***The Quacker*** before each meeting, or two times per month. Training is available using DACdb's bulletin creation feature, and this is a great way to serve the Club. Let Rami Michael, President-Elect, know if you are interested in this important communication piece for the Club.

Rotary & Friends Day Trip to Warm Springs, GA

The Rotary Clubs of Anderson and Pleasantburg have partnered to provide an excellent trip to FDR's southern White House in Warm Springs, Georgia.

A day trip, led by Rotarian Kathryn Smith (author of ***The Gatekeeper: Missy Lehand, FDR, and the Untold Story of the Partnership That Defined a Presidency***), to the Little White House in Warm Springs, Georgia, can be yours.

This is where President Roosevelt began recovering from polio and where he died on April 12, 1945. They need to fill up a bus with 50 people to make the trip happen. Please share with all Rotarians and history buffs so the trip will have enough people to succeed.

The event takes place on Saturday, April 26, 2025. It involves a one-day luxury bus trip to Warm Spring, Georgia, where FDR launched his fight for personal recovery from polio and the effort to find a vaccine. Your guide is none other than Missy LeHand (a/k/a Rotarian Kathryn Smith), FDR's private secretary and partner in the international fight against polio.

- Depart from Anderson's Liberty Highway Walmart at 6:30am
- Arrive Warm Springs for buffet lunch at the famous Bulloch House
- Little White House and Museum tour
- Historic pools where FDR "swam his way back to health"
- Polio Wall of Fame at Roosevelt Warm Springs Institute
- Dowdell's Knob, FDR's favorite picnic spot (time permitting)
- Drinks and snacks on the bus as we return, arriving at 8pm

Cost: \$110 per person
Deadline: March 30, 2025

Please pay by check to Rotary Club of Greater Anderson and mail with [completed form](#) to:
Kathryn Smith
400 Heyward Road
Anderson, SC 29621

Your check will be held until they are certain to fill 50 seats. Full refund up until March 30. No refunds after March 30. If you have questions, please reach out to Kathrynsmith16@yahoo.com or 864-202-7093.

Library Volunteer Opportunities

Volunteer at the Greenville County Public Library

The Library offers several different opportunities to volunteer. Prudence Taylor volunteers at the Friends Shop at the Hughes Library, headquarters for the library system. The shop is open Wednesday - Friday, 10 am - 3 pm. The store sells used books and some retail items, including greeting cards, puzzles, etc. All funds raised go to support programs for children, teens, and adults. The Library also holds book sales at its Five Forks Branch Library. All funds raised from the book sales go to support the library system's programs for children, teens, and adults.

Other ways to volunteer include:

- Assisting children's librarians with preparation for various programs for youngsters.
- Sorting books for book sales.
- Processing new items to be shelved for the first time.
- Looking over the shelves to make sure all items are in proper order.
- Shelving books.
- Serving in some capacity at special events, including keeping track of door counts or assisting attendees at a table.
- Helping patrons who are using public computers.

You do not have to be a member of the Friends of the Library to volunteer. The volunteer coordinator is Amy Pecht. Contact her at volunteer@greenvillelibrary.org or call 864-527-9286. A volunteer application is available online <https://www.greenvillelibrary.org/volunteer>. Be sure to let Elizabeth Clarke know if you volunteer and how many hours you contribute to an event/organization so the Club can keep track of our service.

Contribute to The Quacker

The Quacker is produced using DACdb on a **computer** and texted information takes additional manipulation from phone to computer. If your phone takes high-resolution pictures (HEIC), they are not compatible with DACdb and, therefore, an additional step to convert those files to JPEG, JPG, or PNG has to take place. If you use EzStory in DACdb, please send an email stating the name of your article. If you are unable to use EzStory, submit something for *The Quacker* by **emailing** the copy and pictures in the above format to megcoffey@yahoo.com. Newsletters are put together on Sunday afternoon prior to the Tuesday meeting.
