## Last Week's Program

Last week we heard from Terry Pruitt about this year's Spartanburg Sings concert that was recently performed at the District Seven Fine Arts Center. He told us there was a record number of 208 students this year, representing 17 middle schools. We were also treated to a special performance by the choral directors from the participating schools, who sang a number from the movie "Wicked". Thanks to everyone who volunteered and made the event a great success!

## Upcoming Programs

March 4 The Shepherd Hotel - Clemson - Rick Hayduk

## This Land is Your Land

This land is your land, this land is my land  
From the California to the New York island  
From the Redwood Forest, to the gulf stream waters  
This land was made for you and me

As I went walking a ribbon of highway  
I saw above me an endless skyway  
And saw below me a golden valley  
This land was made for you and me

This land is your land, this land is my land  
From the California to the New York island  
From the Redwood Forest, to the gulf stream waters  
This land was made for you and me

This land was made for you and me
